## School District

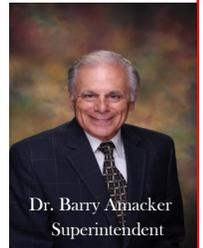

May 17, 2019

Raising the Standard

Greetings JACO Nation,

It has been a history making year in the Jackson County School District. I would like to congratulate all of our administrators, teachers, staff and students for a job well done. Thanks goes to our parents and community for your continued support.

Dr. Barry Amacker  
Superintendent

The Class of 2019 was amazing and we are glad their journey brought them our way. I wish them well in moving toward the next chapter of their lives'. I'm excited to say that the Class of 2019 had scholarship offerings, as of now, for over \$26 million. (St. Martin HS - \$15,600,000) (Vancleave HS - \$6,620,091)(East Central HS - \$4,353,694). With one graduation ceremony remaining, I wanted to give you plenty of notice regarding a change for our graduations this year. The Mississippi Gulf Coast Coliseum has implemented a procedure for attendees to enter the coliseum through a metal detector. Please spread the word, and remember to come early and travel light.

St. Martin High School's Baseball team has advanced to the MSHAA State Championship series. Game 2 will be Friday, May 17, at 4pm vs Desoto Central. If you can't attend it is available on WLOX Bounce TV and WPMO 96.9 FM or Tune in App 1580. Congratulations Yellow Jackets and good luck!

Online registration for the 2019-20 school year will be available June 5, 2019. You will receive information from your student's school next week. We are looking forward to another great year that will begin on August 6, 2019.

Students' last day for the 2018-19 school year is Thursday, May 23, 2019 and it will be a 60% day. Have a great summer!

Thanks for all you do! Dr. A.
