

1. When any child shall apply or present him/herself for enrollment in or admission to the public schools of the Jackson County School District, the School Board shall have the power and authority to designate the particular school or attendance center of the district in which such child shall be enrolled and which he/she shall attend; no enrollment of a child in a school shall be final or permanent until such designation shall be made by this school board. No child shall be entitled to attend any school or attendance center except that to which he/she has been assigned by the school board; however, the principal of a school or superintendent of the district may, in proper cases, permit a child to attend a school temporarily until a permanent assignment is made by this school board.
2. All such assignments shall be on an individual basis as to the particular child involved and, in making such assignment, this school board shall not be limited or circumscribed by the boundaries of any attendance areas which may have been established by this board.
3. Children whose parent(s) or legal guardian(s) are instructional personnel or certificated employees of this school district may at such employee's discretion enroll and attend the school or schools of their parent's or legal guardian's choice, regardless of the residence of the child.
