**SUMMER TRAINING  
TECH PREP TEACHERS**

ISSUE DATE: **8-23-04**

Tech Prep teachers and teachers in the academic areas affected by the Tech Prep Initiative must periodically attend training during the summer as required by the Mississippi Department of Education. When attendance at such training is required during times that are not within the dates of the teacher's contractual obligation to the district, any teacher attending said training will receive one personal leave day for each day of training he/she attends. These personal days are intended for upgrade training and new curriculum training. Days will not be awarded for Tech Prep classes for certification to teach the Career Discovery, Computer Discovery and Technology Discovery classes.
