

Jackson County School District
Welcome to the 2020-2021 School Year
Checklist for Parents/Guardians

Prior to sending your child to school each day:

- Teach your child to wash his/her hands properly
- Check your child's temperature to ensure it is less than 100.4
- Check to ensure that your child does not have a sore throat or other signs of illness such as a cough, diarrhea, severe headache, vomiting, or body aches
- Consider having your child take a water bottle to school as water fountains will not be available at this time
- Remind your child to avoid sharing objects (including water bottles, devices, writing instruments, etc.) with other students and keep a safe distance from others
- Notify the school if your contact numbers have changed
- Prepare your child that things may look a little differently at school (i.e., some will be wearing face masks, desks may not be in the same places, lunch may be in the classroom, etc.)
- Assure your child that school is still a safe, warm, and welcoming place to be
- Send hand sanitizer with your child, if possible
- If you send your child with a face covering, please ensure that it is clean each day

If your child has any of the following symptoms, please keep your child at home:

- Fever of 100.4 or higher
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Extremely tired feeling
- Muscle or body aches
- Severe headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Your child's safety is our top priority!
