

# **East Central Lower Car Riders 2020-2021**

**Afternoon Car Rider Procedures to begin on August 10, 2020.**

- 1. Car dismissal – August 10<sup>th</sup> – August 21<sup>st</sup> at 2:30 – beginning August 24<sup>th</sup> through the remainder of the year at 2:35**
- 2. Car placard**
  - a. Required every day no exceptions**
  - b. Hold the placard or place behind your visor so the staff on duty can easily see the name**
  - c. If you don't have a placard, you will be asked to pull to the visitor parking area to show identification. You will wait while school personnel verify your information**
- 3. Twelve poles will be marked as Car 1, Car 2, etc.**
- 4. School personnel will walk by your car and call your child's name and the car placement where you should wait at to pick up your child. Example: John Smith, Car 12. You will stop at the sign that says Car 12 for your child**
- 5. If you are late and we have started loading buses, you will need to remain in your car until both waves of buses have left the campus before we will be able to walk your child to your car**
- 6. Parents are to remain in their cars at all times**
- 7. This should help us load students faster, but it will only work if the designated pick up person hears the correct place to wait for their child**
- 8. Please be patient as we implement this new plan in hopes that car riders can run more smoothly**
