## Foreword

This student handbook has been prepared by the faculty, staff, and administration, along with input from students, parents/guardians, community, and constituents of the Jackson County School District as a guideline to procedures, policies, and practices governing the operation of our schools and the behaviors of our students. The administration and instructional staff of the Jackson County School District believe that it will help both parents/guardians and students to be properly informed about matters which concern all of us. The School Board and the administration of the Jackson County School District work closely together with a student community advisory committee (MS code 37-11-55), to establish sound and reasonable goals for our schools, to anticipate district needs, and to provide an environment conducive to learning. The primary purpose of providing this handbook is to help make students' school experiences in this environment more satisfying because it will tell them what they need to know and what they need to do in order to make their school experience both pleasant and successful.

It is the responsibility of parents/guardians and students to familiarize themselves with this Student Handbook. Parents/guardians are encouraged to read and discuss the handbook content with their children.

The policies described in this handbook shall pertain to any student who is on school property, on the school bus, on the way to and from school, or who is in attendance at school or at a school-sponsored activity or event. These policies may also pertain to conduct occurring on property other than school property or other than at a school related event when such conduct by a pupil, in the determination of the school superintendent or principal, renders that pupil's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupil and teacher of such class as a whole (MS Code 37-7-301).

School-sponsored activities include, but shall not be limited to, practices, rehearsal, participation or spectator, on or off school property, within and outside the school district.

## District Mission Statement

The mission of the Jackson County School District is to provide a safe, nurturing environment conducive to quality education wherein all students have the opportunity to obtain the essential skills necessary to achieve the goals of their choice and to become responsible, productive citizens. See JCSD Board Policy GBNA.

## Message from Superintendent

Jackson County School District's Student Handbook provides guidance and information to all students and parents regarding the policies and procedures for the schools. We believe by providing this information in the following format, an informative overview of both individual school and school district procedures is available for students and parents. Our staff encourages and expects students and parents to read this handbook. This knowledge will help ensure the success of our students in school by enabling pertinent rules and regulations to be followed.

Our School District culture encourages and welcomes questions from students and parents in regard to policies and/or procedures. The teachers, counselors, and principals are available and willing to answer any questions or address any concerns about our policies. By encouraging open communication among parents, students, and staff, and cooperating to provide what is best for our students, we will have an excellent school year. We wish each of you the very best school year.

----- We are "Raising the Standard" -----

### **Mississippi Department of Education Reading Initiative**

The Jackson County School Board endorses the goals established by the Mississippi Board of Education to improve the reading skills of all students in the state.

- **Goal One:** All children will exit kindergarten with the appropriate readiness skills.
- **Goal Two:** All first through third grade students will demonstrate a growing proficiency in reading so that they will exit third grade as readers.
- **Goal Three:** All fourth through ninth grade reading scores will increase.
- **Goal Four:** Mississippi students will demonstrate a growing proficiency in reading and reach or exceed the national average in reading within the next decade. (JCSD Policy IHF)

### **Anti-Discrimination Policy**

The Jackson County School District advocates and adheres to a policy of equal educational and employment opportunity without regard to race sex, color, creed, religion, disability, or national origin. This policy, which extends to all programs and activities of the school district, arises out of the following statutes: (JCSD Policy JAA, IDDBH)

Title VI of the Civil Rights Act of 1964, 42 U. S. C. 2000 et seq. and its implementing regulation, 43 C. F. R., Part 100

Individuals with Disabilities Education Act (IDEA), 20 U.S.C., 400 et seq.

Section 504 of the Rehabilitation Act of 1973, 20 U.S.C. 794 and its implementing regulation, 34 C. F. R., Part 104

Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., and its implementing regulation, 34 C. F. R. Part 106

The Age Discrimination Act of 1975, 42 U.S.C. 6601 et seq. and its implementing regulation, 45 C. F. R. Part 90 The Americans with Disabilities Act of 1990. Inquiries regarding compliance may be directed to:

## **Title IX and Title VI**

## **Title I**

Title I is a remedial/compensatory education program designed and operated by the Jackson County School District within the guidelines of the State Department of Education and Federal regulations which apply to such programs. The program is funded entirely by federal funds and utilizes local teachers, assistants, and staff to accomplish its goals. A school's poverty level percentage (based on the free and reduced lunch count) determines the school's eligibility for providing Title I services.

Currently the district's Lower and Upper elementary (K-5) schools are school wide Title I schools. Each Title I school has a school wide plan on file at the local building. All students at these schools are eligible for Title I services.

The goal of Title I is to provide intensive, individualized instruction in an encouraging, supportive, environment. Participation by parents of Title I students in the program is encouraged through workshops, meetings, and programs improvements activities. See JCSD School Board Policy BBFA, DFC, and federal law ESSA, PL 94-142, PL 99-457, and PL 89-313.

## **Parents Right to Know**

Each of our elementary (K-5) schools receives Title I funds which provide valuable programs and services in our district. Many of the technology, reading and mathematics programs that offer learning opportunities for our students are a result of Title I funding.

One of the requirements of the law is that parents have the right to request the qualifications of the teachers and teacher assistants at their child's school. Each school has a list of all staff and their qualifications available in the school office. If you wish to review this information, please contact the office of your child's school and a copy of this list will be provided. See JCSD School Board Policy BBFA, DFC, KBA.

## **Parent Involvement Policy**

Per school district policy BBFA, activities and procedures by the schools of the Jackson County School District to increase parental involvement are a vital, integral part of the Title I program. To accomplish this goal, the district shall:

- Convene a district wide or building level annual meeting of the parents of participating children to:
  - Discuss with the parents the activities and programs available through Title I funding
  - Inform parents of their right to consult in the design and implementation of the Title I program

- Solicit parent's input
- Provide parents an opportunity to establish mechanisms for maintaining a continuous communication among parents, teachers, administrators, and Title I personnel
- Make copies of this policy available to parents of participating children
- Make Title I LEA education personnel available to parents
- Provide opportunities for regular meeting of parents of participating children
- Provide timely information about the program and its requirements to parents
- Provide parents of participating children with reports on the children's progress
- Actively solicit parental input in the planning, design, and implementation of the Title I program
- Support the training of parents to work with their children in the home and to participate in activities, which build good home and school partnerships
- Assess annually the effectiveness of the parental involvement policy in improving academic quality of the schools served and to determine if modifications are needed to increase parental participation
- Coordinate, to the extent possible, Title I parental involvement with programs such as Head Start, state-run preschool programs and other programs for early intervention
- Adopt parental compacts. See JCSD School Board Policy BBFA and DFC

#### **Section 504 Nondiscrimination On The Basis Of Disability Policy**

The Jackson County School District will not discriminate on the basis of disability in admission or access to, or treatment or employment in its program and activities to the extent provided by law.

The person holding the position of Director of Student Services has been designated as the Section 504/Americans with Disabilities Act Coordinator and will handle inquiries regarding the Jackson County School District's nondiscrimination policies, the filing of grievances, and requests for copies of grievance procedures covering discrimination on the basis of disability:

Section 504/ADA Coordinator  
Director of Student Services  
Kimberly Williams  
4700 Colonel Vickrey Road  
P.O. Box 5069  
Vance, MS 39565-5069  
Phone: 228-826-1757

Each School has a Multidisciplinary 504 Team in place to review all 504 requests. Parents should contact the principal of their respective schools if their child has a disability, which substantially limits one or more major life activities. See JCSD School Board Policy JAB.

#### **Initial Review of 504 to Determine Eligibility:**

- A parent, teacher, or other educational professional will contact the school principal about a child's known or suspected disability and complete the 504-referral form.
- The principal will convene his or her school's Multidisciplinary 504 Team and review the referral to determine if further evaluation is needed. The principal will notify the student's parent or guardian of the decision.
- If an evaluation is needed, the multidisciplinary 504 team will obtain parent or guardian consent to conduct a child's initial evaluation. A 504 evaluation may use aptitude and achievement data, medical data, psychological data, social and cultural data and/or more data if needed to determine 504 eligibility.

### **Special Education for Children with Disabilities**

A variety of programs in special education may be offered based on identified and approved student needs. Services are provided for children with disabilities who have been evaluated and determined eligible. Services are provided in the Jackson County School District under the direction of trained and certified staff. For further information regarding Special Education for Children with Disabilities, please contact Stewart Hurley, Director of Special Education. See JCSD School Board Policy GFABP, DFC, and IDDF.

### **Intervention Process**

An instructional model designed to meet the needs of every student is in place at all Jackson County schools. The model consists of three tiers of instruction: Tier I: quality classroom instruction based on College and Career Readiness Standards, Tier II: focused supplemental instruction, and Tier III: intensive interventions specifically designed to meet the individual needs of students.

Teachers will use progress monitoring information to a) determine if each student is making adequate progress; b) identify any student as soon as he/she is falling behind; and, c) modifying instruction early enough to ensure that every student gains essential skills.

Monitoring of student progress is an on-going process that may be measured through informal classroom assessment, benchmark assessment instruments, and large scale assessments.

If strategies in Tier I and Tier II are unsuccessful, students must be referred to the school's Teacher Support Team (TST). The TST is the problem-solving unit responsible for interventions developed at Tier III. Interventions that are research-based will be designed and implemented to address the deficit areas, as designated by the TST, and be supported by data regarding the effectiveness of the interventions. Parents will be contacted and invited to participate in the process when a student is referred to the Teacher Support Team. See JCSD School Board Policies GFABP, GFBCJ, IDADA, IDDF, and MS Code 37-13-92.

### **Notifications of Rights under the Family Educational Rights and Privacy Act (FERPA) for Elementary (K-5) and Secondary (6-12) Institutions**

The Family Educational Right and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. The right to inspect and review the student's educational records within 45 days of the day the district receives a request for access. Parents or eligible students should submit to the school principal or appropriate school official, a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- The right to request the amendment of the student's education records that the parent or eligible student believe are inaccurate or misleading. Parents or eligible students may ask the Jackson County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the district decides not to amend the record as requested by the parent or eligible student, the district will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member including health or medical staff and law enforcement unit personnel; a person serving on the School Board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- Upon request to officials of another school district in which a student seeks or intends to enroll, the district discloses educational records without consent.
- The district discloses directory information regarding its students. Directory information means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It may include, the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended.
- The parent or eligible student has the right to refuse to let the district designate any or all types of information about the student as directory information. The parent or eligible student must notify the principal (or designee) in writing within five (5) days of receipt of the Handbook and Code of Conduct for Students and Parents that he or she does not want any or all of those types of information about the student designated as directory information. Otherwise, consent is implied for the Jackson County School District to release directory information to others including military recruiters as outlined below.
- In the event that the school district provides either post-secondary (6-12) educational institutions or perspective employers of secondary (6-12) student's access to its school campuses, it must also provide military recruiters the same type of access. The school district must also provide, upon request of military recruiters, the names of students, their addresses, and telephone numbers unless the secondary (6-12) school student or the parent has requested that the school not release this information without prior written parental consent.
- The district may disclose directory information about former students without meeting these conditions.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue,  
Washington, D.C. 20202-4605

# Enrollment Procedures

## **Admission Policy**

Any student enrolled in the Jackson County School District will follow the district's Admissions Policy.

If a student resides in the Jackson County School District and enrolls after the beginning date of the school year, days missed because of late enrollment will be counted as absences. Failure to make up work missed will be cause for withholding credit for the term's work. All make-up work due to late enrollment must be completed by the end of the current term.

## **Registration Requirements**

### **Compulsory School Age Attendance:**

If a compulsory-school-aged child has not been enrolled in the school which the child is eligible to attend within fifteen (15) calendar days after the first day of the school year, the school district shall report within two (2) school days or within five (5) calendar days, whichever is less, such absences to the school attendance officer.

### **Compulsory School Age Child:**

A child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year and who has not attained the age of seventeen (17) years on or before the September 1 calendar year.

### **Age of Entrance:**

To enter kindergarten, the student must be five (5) on or before September 1st.

To enter first grade, the student must be (six) 6 on or before September 1st.

(JCSD Policy JBC)

### **Students will not be enrolled until the following requirements have been met:**

- Students will be enrolled in the Jackson County School District only if they are residing with their legal guardian and said guardian resides within the Jackson County School District. "The district will not recognize or accept guardianship papers for health and school purposes only. Partial guardianship of a student by a resident within the district will not be recognized as meeting full legal guardianship." (Policy JBC)
- Birth Certificate: According to State Law, an original or certified copy of a birth certificate is required upon registration. This certificate must be examined and recorded on school records before any student may be officially enrolled in school. Each student must have this information on file prior to the first day of school.
- A student shall present a withdrawal form from the school from which he/she is transferring (to include discipline record, grades, and attendance).

- **Proof of Immunization:** A certificate of compliance shall be presented to the school when a child initially enters the school upon registration. This certificate shall be issued by the local health officer or physician on forms specified by the Mississippi State Board of Health. Effective August 1, 2007, children entering school for the first time will be required to have two doses of the Varicella Vaccine (chicken pox) or a history of chicken pox. All students entering, advancing, or transferring into 7th grade will need proof of an adolescent whooping cough (pertussis) booster, aka Tdap vaccine, before entry into school in the fall. Tdap vaccine given on or after the 7th birthday meets the new school requirement.

If a child offers to enroll at a school without having completed the required vaccinations:

- The local health officer (not school official) may grant a period of time up to 90 days for such completion. No child shall be enrolled without having at least one dose of each specified vaccine.
- Any child not in compliance at the end of 90 days from the opening of school must be suspended until he/she is in compliance unless the health officer attributes the delay to the lack of supply of the vaccine.

Exception: Reason must be verified by a duly-licensed physician to the local health officer. The Mississippi Supreme Court has ruled that religious exemptions are not acceptable.

- A student's records from his/her school of last attendance must be received within a reasonable period of time. If the records are not received within a reasonable time, the student will be asked to withdraw until the records are received.
- A student who has been suspended or expelled from another school district may not be allowed to enroll.
- Students not meeting the residency requirements will be withdrawn from school immediately.
- Parents shall inform the school immediately of any change of address/telephone number of persons authorized to sign-out students that is different from that listed during registration.
- At the beginning of school each parent/guardian will fill out and sign the student emergency/service card. In order to register your child, you will need the following:
- Two (2) Proofs of Residency: Items must reflect a street address or designated road address. All documents must be for present day residence only.
  - Filed Homestead Exemption Application Form
  - Mortgage documents or property deed; No property tax documents

  - Driver's license or Mississippi State-Issued Identification Card (must show present address)
  - Automobile registration (Must be current year's registration, not expired).

#### **Court Documents:**

- If one is the legal guardian of the student, he/she must also provide a copy of the court order signed by a judge appointing him/her as guardian. Any changes in custody must be given to the school in the form of a legal document signed by a judge.

- If a parent/guardian fails to provide the necessary documentation, his/her children will not be allowed to attend schools in the Jackson County School District. No temporary enrollment will be processed.
- NOTE: Any legal guardianship formed for the purpose of establishing residency for school district purposes shall not be recognized by the Board. (Legal reference: Mississippi Code Ann. Section 37- 15-31, 1989 Supplement.)
- If the Jackson County School District receives a complaint regarding the residence of a student, the district is required to take action to further verify residence, including but not limited to follow-up visits to the resident's address by school officials.
- NOTE: Any legal guardianship formed for the purpose of establishing residency for school district purposes shall not be recognized by the Board. (Legal reference: Mississippi Code Ann. Section 37-15-31, 1989 Supplement).

- If the Jackson County School District receives a complaint regarding the residence of a student, the district is required to take action to further verify residence, including but not limited to follow-up visits to the resident's address by school officials. See JCSD School Board Policies JAB, JBCD, and JBC and MS Code 37-15-31.

### **Transfer Students for Elementary (K-5) and Secondary (6-12)**

Any child transferring to any school in the Jackson County School District must have a valid immunization certificate, birth certificate, report card, and name and address of the former school attended.

- No student is to be enrolled in this school district until any questions regarding residence or immunizations have been resolved.
- Students suspended or expelled from another school or school district may not be allowed to enroll. See JCSD School Board Policy JRA, JCD, and JBCD.
- In the event that number grades are not sent from a prior school and verification is present that efforts have been made to secure the number grades and these efforts have been unsuccessful, then the following number grades will be given for the following letter grades for transfer students:

<b>A</b>	<b>95</b>
<b>B</b>	<b>85</b>
<b>C</b>	<b>75</b>
<b>D</b>	<b>67</b>
<b>F</b>	<b>64</b>

Students withdrawing from school are to follow the procedure below:

- Parent must notify principal or counselor giving permission for the student to withdraw. (If possible, please notify the school one day in advance in order for the necessary paperwork to be completed.)
- Permanent records will be forwarded to the new school upon request.
- Students who withdraw in order to be home schooled must register with the attendance officer prior to withdrawing from school.  
See JCSD School Board Policy JRA and JBCD.

### **Home Schooled Children**

#### **Grades K-12**

- The student shall not be placed more than three (3) grades below the grade or class that the pupil would have been assigned had the pupil enrolled during the year the child reached his sixth birthday on or before September 1.
- The student shall be required to take a test deemed appropriate by the Jackson County School District. This test will be a primary determining factor in the student's grade/class placement. No enrollment of the home school student shall be considered official until the test has been given.
- The pupil will be assigned to the grade or class for which the test shows the student is best suited in accordance with the age limitation as set forth above. Students enrolling from homeschool will only receive Carnegie Units from Mississippi Department of Education accredited programs. See JCSD School Board Policy IDAA, JBCDA, MS Codes 37- 13-91, and 97-37-17.

### **Homeless Children**

When a child is determined to be homeless as defined by the Stewart B. McKinney Act 42 USC Section 11431(l), 11432(e)(4) and 11302(a), this school district shall consider and take enrollment action that is in the best interest of the child, pursuant to 42 USC II 432(e)(3).

- The requirements of Section 11 are minimum requirements and this school district may require additional documentation and verification at any time.
- At the minimum, this school district shall maintain in a file a written instrument identifying the types of documents used to verify each student's residency and copies of any relevant guardianship petition or decree.
- The provisions of this policy do not apply to students who reside outside the school district but who have legally transferred into the school district.
- Any court-ordered procedure shall take precedent over any procedure contained herein.

See JCSD School Board Policy JBCB.

# District Attendance Policies

## Attendance

The Jackson County School District stresses the importance of regular student attendance in school. The majority of funding for the operation of our schools is based on the attendance of our students, and the district loses thousands of dollars due to absences. Consequently, parents are encouraged to keep student absenteeism to an absolute minimum.

School attendance is ultimately the responsibility of the students and families.

Students should remain out of school ONLY WHEN ABSOLUTELY NECESSARY. Mississippi's Compulsory attendance law provides legal penalties for parents or guardians who neglect their child's attendance. When the child has five (5) unexcused absences, the law provides that charges of "Education Child Negligence" may be brought against the parent or guardian.

Students missing 5, 10, and 12 unexcused days will be referred to the Attendance Officer. Upon the 10th consecutive unexcused absence the student will be withdrawn and referred to the truancy officer for attendance intervention.

A student who is absent more than 37% of his/her instructional day must be considered absent the entire day. (MS Code 37-13-91) (JCS D Policy JBD)

Perfect attendance is defined as being present all day every day.

## Excused Absences:

### DEFINITION:

Absences will only be excused according the MS Compulsory Attendance Law for the following reasons:

- Child's attendance at an authorized activity with the prior approval of the Superintendent of the school district or his/her designee. These activities may include field trips, athletic contest, student conventions, musical festivals and any similar activities.
- Illness or injury, which prevents the compulsory-school-age child from being physically able to attend school.
- When isolation of a compulsory-school-age child is ordered by the county health officer, by the State Board of Health or appropriate school official.
- The death or serious illness of a member of the family of a compulsory-school-age child shall include children, spouse, grandparents, parents, brothers, and sister, including stepbrother and stepsisters or as approved by the principal.
- When it results from a medical or dental appointment of the compulsory-school-age-child where an approval of the superintendent of the school district or his/her designee is gained before the absence, except in the case of emergency.
- When it results from the attendance of compulsory-school-age child at the proceedings of a court or an administrative tribunal if the child is a party to the action under subpoena as a witness.

The above reasons shall be treated the same as doctor excused absences.

\*Students who miss school due to a school activity are responsible to make up their work in (2) two days. These absences do not count as an absence toward exemptions.

### **Unexcused Absences**

- All absences other than for the reasons listed above will be unexcused.
- Vacations are unexcused absences.  
See JCSD School Board Policy ADB, MS Codes 37-19-1(i), and MS Code 37-13-91

### **Preapproved Extended Absences/Religious Observances**

If a student is going to be absent for an extended period of time (5 days) or is going to be absent due to religious observances, they must follow these guidelines for the absences to be excused:

- Prior to the absence the student shall contact his/her teachers to find out assignments for the day(s) of absence.
- Make-up work guidelines are the same as previously stated.
- The day(s) allowed for a religious observances or extended absences will count as part of the total number of absences allowed for the student.
- See JCSD Policy JBD

### **Returning to School**

When the student returns to school, the student must bring a note from his/her parent to verify the parent's knowledge of the absence. The specific reason for the absence must be stated. A parent must follow the guidelines of # 3 to be considered an excused absence. Excuses will be accepted up to two (2) days after a student's return to school. If an excuse is provided by a doctor's office, it may be faxed; however, it is the parent's responsibility to ensure the excuse was received within two (2) days after the student returns to school.

### **Make-up-work**

#### **Absence(s) that is excused**

- The work missed by the student may be made up. It is the parent's responsibility to ensure the excuse was received within two (2) days after the student returns to school.

#### **Absence(s) that is unexcused**

- The student may not make up the work missed.
- The student will receive a zero (0) for any work missed.
- For extenuating circumstances, exceptions may be made by the principal.  
See JCSD School Board Policy JAB and JBD.

### **Elementary (K-5)**

Students may have up to two (2) days per nine (9) weeks of excused absences per school year via parent notes.

### **Secondary (6-12)**

Students may have up to two (2) days per nine (9) weeks of excused absences per school year via parent notes.

Juniors will receive one (1) day and Seniors will receive two (2) days to attend college day events. Proof of attendance required.

See JCSD School Board Policy JAB and JBD.

**Elementary School (K-5) Attendance Policies:**

- To be counted present, a student must be present for sixty-three percent (63%) of instructional class time each day.
- Students may have up to two (2) days per nine (9) weeks of excused absences per school year via parent notes. These excuses are to be turned in to the teacher. Excuses will only be accepted up to 2 days after the student returns to school. (Refer to General Attendance Section.)
- Students missing 5, 10, and 12 unexcused days will be referred to the Attendance Officer. Upon the 10th consecutive unexcused absence the student will be withdrawn from school and referred to the truancy officer for attendance intervention.

Absences totaling more than 20 days may result in the student being retained in the current grade for the following school year. See JCSD School Board Policy JAB, JBD, and ADE.

**Middle School (6-8) Attendance Policies:**

- A student shall be present for forty (40) minutes of class time to be counted present.
- Five absences for each semester grading period will be considered excused if a parent note is provided upon return to school. These excuses are to be turned in to the office before the first bell rings to start the school day. Excuses will only be accepted up to 2 days after the student returns to school. (Refer to General Attendance Section)
- Students missing 5, 10, and 12 unexcused days will be referred to the Attendance Officer. Upon the 10th consecutive unexcused absence the student will be withdrawn from school and referred to the truancy officer for attendance intervention. See JCSD School Board Policy JAB, JBD, and ADE.

These excuses are to be turned in to the office before the first bell rings to start the school day. Excuses will only be accepted up to 2 days after the student returns to school. (Refer to General Attendance Section)
- Students missing 5, 10, and 12 unexcused days will be referred to the Attendance Officer. Upon the 10th consecutive unexcused absence the student will be withdrawn from school and referred to the truancy officer for attendance intervention. Upon the 10th unexcused absence throughout the school year, the student will be referred to TST.
- The Jackson County School District does not recognize or sanction senior skip day or skip day for any other grade. See JCSD School Board Policy JAB, JBD, and ADE.

## **Sign In/Sign Out and Late to School Procedure**

### **DEFINITION:**

Late to school is defined as arriving to school after the beginning of the school day.

### **Elementary (K-5):**

- It is recognized that an elementary (K-5) school child may occasionally be late or may be checked out of school due to an unforeseen emergency. Parents who bring their child to school late must bring the child in to the office to check him/her in.
- Late arrivals due to a medical appointment will be excused (and work can be made up) if a doctor's excuse is presented the day of the late arrival.
- Students will not be subject to consequences if they arrive late on a district school bus.
- Students are allowed up to five unexcused late arrivals per semester (with work allowed to be made up).
- After 5 and 10 unexcused late arrivals and/or check-outs to school in one semester a letter may be sent home from the school informing the parents of possible referral to the Child Protective Services and the local School Attendance Officer. In addition, students will not be allowed to make up missed work. For extenuating circumstances, exceptions may be made by the principal.

### **Secondary (6-12):**

- Students can only be signed out of school by the parent/guardian or other adult(s) as specified by the parent/guardian on the student's registration form. The parent/guardian or designated adult must come to the office and present photo identification to sign the student out of school.
- Students will not be charged with a late to school when their bus is late. However, when a bus is late, students must check in at the office for a pass to their 1st period class. Late students who do not ride a bus will report to the office for an admission slip to class.
- Students are allowed three parent excuses per semester. Any late arrivals beyond these three, other than doctor, are subject to disciplinary action. Students late to school or checking out early while assigned to ISI will be given an additional day of ISI.

### **Checkout:**

- In order to provide for the best welfare of each student and the school, the following checkout policy has been adopted:
- Before the student may be released from school, a parent, legal guardian, or person authorized by a parent must come to the school office and sign the student out. Students will only be released to authorized persons listed on the checkout list/contact sheet. Appropriate picture identification may be required to check out a student. For safety of students, checkouts must be made 30 minutes prior to dismissal time.
- In the event the child's parents are divorced and the parent with custody does not want the other parent to pick up the child, the school will attempt to notify said parent. The school cannot deny a parent access to his/her child unless there is a court order prohibiting one parent access to the child. If such a court order exists, it should be brought to the principal/guidance office in order that a copy can be made and inserted in the child's cumulative folder.

**Check-out policy:**

- When a student becomes ill or an emergency arises during the regular school which may warrant early dismissal, the student must report to the attendance office. Before the student will be allowed to leave school, the student's parent or legal guardian must be contacted by telephone or the parent, legal guardian, or person authorized by the parent must come to the school to sign the student out. The school administration will reserve the option to release a student from school at the discretion of the principal if the student's parents cannot be contacted.
- A student may be released for a physician's appointment, dental appointment, or other just reason when the parent, legal guardian, or person authorized by the parent comes to the school and signs the student out or sends a note to the pupil accounting office stating the reason for check-out. This note must include the check-out time and a telephone number where the parent can be contacted and should be on file no later than 9:00 a.m. on the day of check-out. If the note cannot be verified, the school reserves the right to refuse release of the student.
- Classes missed due to check-outs count as absences and will be treated as excused or unexcused according to the guidelines established earlier in this handbook. If a checkout is excused, the student is responsible for making up class work that is missed during the time that he/she is signed out of school. See JCSD School Board Policy JAB and JBD.

**Student Arrival and Departure Times**

- The school will not assume responsibility for any students arriving on school grounds prior to stated time unless they are transported by school bus.
- Students are to leave school at end of the school day unless they are participating in a supervised school activity and are under the direct supervision of a teacher.
- Students are not to be on the playground/school grounds before/after school hours.
- The school will not assume responsibility for any child on campus before or after the school day. It is the responsibility of the parent to provide supervision before and after school.
- Students are encouraged to ride buses.
- Parents who bring their children to school must adhere to school procedures for dropping off and/or picking up students. (JCSD Policy JBD)

**Late to School/Class (Secondary Only 6-12)**

- After three (3) tardy events, disciplinary action will occur. Late notices may be accepted at the principal's discretion. Excessive late arrivals may be reported to the District Attendance Office for referral to Family Court. After three tardy events, disciplinary action will occur.

**Leaving Class**

- Students are not permitted to leave class except in the case of an emergency. Students will not be called from a class to the phone unless there is an emergency. Any student out of class without a pass will receive appropriate disciplinary action.

**Leaving School Grounds**

- When the student leaves home, their parents assume they are in school. In order for the teachers and administration to locate the student in the event of an emergency call from home, it is very important that all students follow their schedule closely.
- A student is not allowed to leave the grounds without his/her parent(s) making prearrangements with the school as specified by the principal. Verification with the parent must occur before checkout is granted. This note must be presented and verified in the office no later than 8:00 a.m. on the day of the checkout. JCSD Policies JD, JDH, JGFB, and IHF
- A student should never leave school for any reason without permission from the principal. Once a student boards a bus or arrives on the campus by other means, then the student must check out through the office before leaving school for any reason. Failure to do so will result in the time missed being unexcused and will result in disciplinary action.
- Any student who has permission to leave campus early and takes another student with him/her, who has not properly checked out through the office, will receive the same punishment as the student leaving without permission. See JCSD School Board Policy ABD, JD, JDH, IHF.

## Health and Medical Procedures

A student whose health record has not been brought up to date and is not in the process of being brought up to date by the end of the first month will not be permitted to stay in school. No student who has any contagious disease will be allowed to attend school. Any questionable cases will be referred to the County Health Department, and its recommendations will be followed.

According to Mississippi State Law, any child who plans to attend any public or private school, including Kindergarten, shall first have been vaccinated against those diseases specified by the state health officials. See JCSD School Board Policy JGCC and JGCB, MS Code 37-7- 301, and 41-23-37.

### **Illnesses/Communicable Diseases**

The Board of Education of the Jackson County School System has the power, authority and duty to exclude from the school's students with what appears to be infectious or contagious diseases; provided, however, such student may be allowed to return to school upon presenting a certificate from a public health officer, duly licensed physician or nurse practitioner that the student is free from such disease. (MS Code Section 37-7-301(h) 1995) Proof of physician diagnosis with release to return to school may be requested per school nurse and/or administration for any illness. (JCSD Policy JGCC)

In the event that a parent or emergency contact cannot be reached or is unresponsive, the Department of Human Services may be contacted.

Signs and symptoms of an illness may vary a great deal from person to person (e.g., sore throat with fever; rash over a large area of the body). Only physicians or nurse practitioners can diagnose---not nurses.

This information is not intended to be used to diagnose an illness or infection. It should not replace a diagnosis by physicians or a nurse practitioner.

Any student having evidence of communicable diseases will have a physician diagnose the disease and prescribe suitable treatment. Common communicable diseases as listed will automatically result in exclusion from school and school-related activities for the designated period of time:

<b><u>Disease</u></b>	<b><u>Exclusion from School</u></b>
Chicken Pox	6 days after eruption appears
Conjunctivitis (Pink Eye)	Children may return to school after a physician has been seen, or when redness/discharge is improving and after 24 hours after prescription medication begins
Fifth Disease	Children with fifth disease may attend school, since by time the rash begins, they are no longer contagious.
Flu	The student may return to school when free of fever and feeling well and after 24 hours of fever free conditions.
German Measles or Red Measles	Free of fever and the rash is fading.
Hepatitis A or C	May return to school one (1) week after the onset of jaundice and/or proof of treatment has been provided to nurse.
Impetigo	The child may return to class 24 hours after treatment has started. Proof of treatment is required.
Mononucleosis	The child need not be excluded from class, unless requested for medical reasons, but may return when feeling well enough. Children should not share food or utensils.
Mumps	Nine (9) days after glands swell
Ringworm	The child may return to class when the treatment is started. Proof of treatment is required.
Scabies	The child may return to school as soon as treatment has been administered. Proof of treatment is required.
Staph	Student will return to school after being treated by a doctor and wound must be covered. Must have a medical release from physician before returning to PE or sports.
Strep Throat	The child may return to class 24 hours after treatment has been started and be free of fever for 24 hours without the use of medication..
Tuberculosis (TB)	Those who have a positive TB skin test only may attend school Since they have no disease process that is contagious. Persons diagnosed with active TB disease will need written permission from the MS State Dept. of Health Tuberculosis Control Program to return to school.
Whooping Cough	The student may return to school 5 days after treatment has begun.
Bed Bugs	Student may not attend schools if active bugs are present.

For these or other communicable diseases, the principal may require a written note containing proof of treatment from the student's family doctor or public health department for a student to return to school after having a communicable or infectious disease. See JCSD School Board Policy JGCB, MS Code 37-7-301, and 41-23-37.

This information is not intended to be used to diagnose an illness or infection. It should not replace a diagnosis by trained medical personnel. (JCSD Policy JGCBA and JGCC)

## **Immunizations and Vaccinations**

It is unlawful for any child to attend school without first being vaccinated with at least one dose of diphtheria, whooping cough, tetanus, red measles, rubella, and polio vaccine and completing the entire series within ninety (90) days. Every student in Kindergarten through Grade 12 must present a certificate of immunization compliance from his/her doctor or from the health department. This certificate of compliance (Form 121) must be presented in order to attend school, even though all shot records are now up-to-date on school records.

Other valid certificates include Form 121-A, Medical Exemption Certificate, or Form 121-T, Temporary Compliance Certificate. All students entering, advancing, or transferring into 7th grade will need proof of an adolescent whooping cough (pertussis) booster, aka Tdap vaccine, before entry into school in the fall. Tdap vaccine given on or after the 7th birthday meets the new school requirement.

In order to secure this certificate of compliance, it will be necessary for the student to go to the local county Health Department, the office of his/her family physician, taking with him/her all official shot records. Before a child can register, the certificate of compliance must be presented. The validation of this certificate will become a permanent part of the student's records and will be valid through grade twelve.

If the doctor signs the certificate indicating that other doses are necessary, the student will be given ninety (90) days to complete the required immunizations; if they are not completed at the end of ninety (90) days, the child by law must be suspended until compliance is achieved. See JCSD School Board Policy JGCB, JGCBA, JBCC, MS Code 37-7-301, and 41-23-37.

## **Health Policies Regarding Immunizations**

A Certificate of Compliance shall be presented to the school when a child initially enters school upon registration. This certificate shall be issued by the local health office or physician on forms specified by the Mississippi State Board of Health.

If a child offers to enroll at a school without having completed the required vaccinations:

- The local health office (not a school official) may grant a period of time up to 90 days for such completion. No child can be enrolled without having at least one dose of each specified vaccine.
- Any child not in compliance at the end of 90 days from the opening of school must be suspended until he/she is in compliance unless the health officer attributes the delay to the lack of supply of the vaccine.
- Exemption:
- Medical Reason – Must be verified by a duly- licensed physician to the local health officer.
- The Mississippi Supreme Court has ruled that religious exemptions are not acceptable. See JCSD School Board Policy JGCB, JGCBA, JGCC, MS Code 37-7-301, and 41-23-37.

## **Head Lice**

Students identified with nits and/or lice will be sent home immediately with a letter and information sheet.

Returning to School: The student may be readmitted after treatment providing there are no visible lice. Upon returning to school the child will be checked by a school official.

Proof of treatment is also required upon the child returning to school. Proof of treatment includes the box and the store receipt.

After the third occasion of a student having head lice or nits, a "no-nit policy" will be in effect. Any student who has had lice or nits on four occasions will be required to be free of all nits before being readmitted to school. House Bill 737, passed in the 2007 Legislative Session, states:

- If a student in any public elementary (K-5) or secondary (6-12) school has had head lice or nits on three (3) occasions during one (1) year while attending school, or if the parent of the student has been notified by school officials that the student has had head lice or nits on (3) occasions in one (1) school year, as determined by the school nurse, public health nurse or a physician, the principal or administrator shall notify the county health department of the recurring problem of head lice with that student. The county health department then shall instruct the child's parents or guardians on how to treat head lice or nits, eliminate head lice or nits from household items, and prevent recurrence of head lice or nits. The county health department shall charge the child's parents or guardians a fee to recover its costs of providing treatment and counseling for the head lice or nits.
- The school principal or administrator shall not allow the child to attend until proof of treatment is obtained and the child is clear of lice or nits.

Treatment of Head Lice: Prescribed or over-the-counter anti-lice treatments are considered appropriate. Back comb hair with a fine-tooth comb to remove all the nits. (JCSD Policies JGCB and JGCC)

## **Fever**

When school officials are aware that a child's temperature is 100 degrees, an attempt will be made to contact the parent/guardian. If the temperature reaches 101 degrees, a school official will request that the parent/guardian pick up the child. This procedure is followed to insure the safety of the child and the well-being of the other students. Students may return to school when they have been free from fever for a period of at least 24 hours without medication. See JCSD School Board Policy JGCB, MS Code 37-7-301, and 41-23-37.

## **Diabetic Condition Plan**

Parents must take the responsibility to pick up the student if the sugar level is 500 or greater. All students who are diabetic must have a plan in place, doctor orders, and supplies needed to ensure safe-care / management while at school

## **Diseases**

Decisions regarding a person infected with HIV, hepatitis B, or other blood-borne diseases shall be made on an individual basis with regard to the behavior, physical condition of the employee or student and the expected interactions with others in that setting. These decisions shall be made using the team approach, including the employee or student's physician, public health personnel, and personnel associated with the educational setting and/or workplace. In each case, risks and benefits to all affected shall be weighed. As conditions change, cases may be reevaluated.

Legal Reference: Mississippi Code Section 37-7-301(h)(1995) See JCSD School Board Policy JGCB, MS Code 37-7-301, and 41-23-37.

## Medications

Students are not allowed to bring medicine to school. In the event a medication is brought to the school by a student, the medicine will be immediately confiscated and the student may be referred to the building administrator for disciplinary action.

In order to properly dispense prescribed medication, the parent/guardian shall:

- Provide the school with a health plan for their child who has a special medical problem (i.e. allergic reactions, asthma, etc.)
- Present a medical consent form signed by the parent to the principal or his/her designee.
- The school administration may determine by local school or school district policy the role of teachers and other school personnel in administering medications. If there is no nurse available, principals/administrators may designate personnel to administer medications. These designated personnel will be required to document each time a medication is given. All medications should be recorded on the student's record, noting the time and initials of the person administering the medication. The back of the record should show the full name of the person administering the medication, followed by initials in specified section. (Example- Jane Doe, RN (LC) 12:10 P.M.)

- **Elementary Schools (K-5)**

Any school official will not administer any nonprescription medications on behalf of the students. Parents will be required to physically administer medications.

- **Secondary Schools (6-12)**

The school official will allow parents/Guardians to personally deliver nonprescription medications in the original container placed in a clear baggie to be stored in the school administration office for the student to self-administer.

The parent shall provide permission for any medication (including Tylenol, Benadryl, etc.) which authorizes designated personnel to administer the medicine and which includes specific instructions for use. (Example: If Tylenol is to be given, the parent should write specific orders of instruction as to circumstance to be given and dosage).

All medications should be brought to school by the parent/guardian or designated adult/parent and/or guardian or designee of a child. The medication shall be given to the school official responsible for administering the medication to the child. Any prescribed medication brought into the facility by the parent, legal guardian, or designee of a child shall be dated and kept in the original container labeled by a pharmacist with the child's first and last names; the date the prescription was filled; the name of the health care provider who wrote the prescription; the medication's expiration date and specific legible instructions for administration, storage and any side effects that should be reported to the prescribing physician. The number of pills received should be counted and from whom they are received shall be documented. Prescription liquids should be documented as to amount of cc's and ml's.

If a physician orders a dosage other than indicated on the label, an updated prescription bottle is needed to reflect the change in dose. (Until refilled, the physician's orders will be sufficient.) The amount of medication and the person who receives it should be documented on the medication records. Any change on dosage time of medication should be by a physician's order. (Example: If a medication is to be discontinued or if the dose is to be increased or decreased.)

Medications should not be given subsequent to the expiration date. It is the parents' responsibility to contact the physician to update medication. [Example 1: Prescription medicine ordered 2009-2010 should not be given in 2011. Example 2: Cough medicine ordered 12/11/2010, should not be given after two weeks (10 working days) without recent updated doctor's orders. Medication (antibiotic, etc.) should not be given past 10 days of original date of order, unless specified in writing by the physician.]

A locked cabinet or drawer is to be provided for the storage of medications other than those to be refrigerated.

A "Release of Information Form" should be signed to allow communication between the medical provider and the school nurse or designee.

In an effort to provide safe healthcare for children, forgotten doses of medication which were to be given at home may not be administered at school. Medication should be administered no earlier than 30 minutes prior to physician's order and no later than 30 minutes after. In the event that a child did not receive medication to be given at home, the child's doctor may contact the school and request that another dose is to be given. If the doctor contacts the school, the nurse/grey lady/designee will be allowed to give the medication that was forgotten at home.

When school officials are aware that a child's temperature is 100 degrees, an attempt will be made to contact the parent/guardian. If the temperature reaches 101 degrees, a school official will request that the parent/guardian pick up the child. This procedure is followed to insure the safety of the child and the well-being of the other students.

The Jackson County School District reserves the right to refuse to administer any medication to students when circumstances warrant this action. Such circumstances might include reaction, response, incomplete instructions for the administration of the medication, non-compliance by parents/guardian with the school system policy for the administering of medications or other extenuating circumstances. See JCSD School Board Policy JGCB, MS Code 37-7-301, and 41-23-37.

### **Medical Emergencies**

In the event of an emergency during which a child may need to be transported to the hospital, the school will attempt to contact the parent/guardian. If the parent/guardian cannot be contacted, the school will have the child transported to the hospital and will continue to try and contact the parent/guardian. Any expense incurred will be the responsibility of the parent/guardian. See JCSD School Board Policy JGCB, JGCB, MS Code 37-7-301, and 41-23-37.

# General Academic Information

## Permanent Record

A permanent record is set up for each student in the school system. This record begins when an individual starts school and is kept current on the student until he/she graduates.

Educational records may be forwarded upon request of another school with the written consent of parent or guardian. See JCSD School Board Policy IHA.

## Progress Reports and Report Cards

At the 4 ½ week mark of each nine-week grading period, a progress report will be sent home indicating each child's academic status. This report will indicate the progress he or she is making in the different subject areas. This may not indicate that the student is failing.

Conferences may be set up at this time if needed. A formal report is sent at the end of each nine weeks. Dates for progress reports are listed in the front of the handbook on the school calendar. See JCSD School Board Policy IHA.

## Report of Grades

Each student will receive a report from his/her homeroom teacher showing his/her grades for that term and for the year when the school session ends. Report cards will be given at the end of each nine week period. The report card should be signed and returned to school on the following day. Dates for reports are listed in the front of the handbook on the school calendar. See JCSD School Board Policy IHA.

## An explanation of the grading system is as follows:

<b>A</b>	<b>90 – 100</b>	Excellent
<b>B</b>	<b>80 – 89</b>	Above Average
<b>C</b>	<b>70 – 79</b>	Average
<b>D</b>	<b>65 – 69</b>	Below Average
<b>F</b>	<b>64 – below</b>	
<b>I</b>		Incomplete
<b>S</b>		Satisfactory
<b>N</b>		Needs Improvement
<b>U</b>		Unsatisfactory

## Honor Roll:

**Superintendent's Honor Roll – All A's**

**Principal's Honor Roll – All A's and/or B's**

## GRADING

All grades awarded to students in grades 1-12 shall be awarded in compliance with the district's promotion/retention policy.

## Recording of Grades

In the event that a student does not receive credit for a subject because of excessive absences, expulsion or drop out of school, NC (no credit) may be recorded in the applicable place in the student's cumulative folder and on the permanent record. See JCSD School Board Policy IHA.

## **State Testing Requirements**

The Jackson County School District participates in the Mississippi Curriculum Content Assessment System that includes assessments given at each level of schooling. Students in grades K-12 are required to take the Mississippi assessments given according the testing calendar provided by the MS Department of Education Office of Student Assessment. See JCSD School Board Policy IHA.

## **Elementary (K-5) Academic Guidelines:**

### **Promotion and Retention**

- Beginning in the 2018 - 2019 school year, a student scoring at the lowest achievement level in reading on the established state assessment for 3rd grade will not be promoted to 4th grade unless the student meets the good cause exemptions for promotion.
- In order to be promoted from one grade level to the next in grades 1 - 3, a student must maintain a passing grade in ELA and math. The yearly average shall be determined by averaging the two semester numerical grades.
- In order to be promoted from grade 4 to 5, students must maintain a passing grade in ELA and math, in addition to either science or social studies.
- In order to be promoted from one grade level to the next in grades 5 to 6, students must maintain a passing grade in math, ELA, science, and social studies.

### **Grades**

- Tests count 40% and daily work counts for 60%. The course average will consist of the average of the two terms. See JCSD School Board Policy IHA.

### **Homework/Assignments**

- Homework is a very important phase of the educational program for the child. It serves as a connection between home and school. It is used to supplement the class work and strengthen the student's understanding of what he/she is studying. Parents are encouraged to cooperate with the school in seeing that assignments are completed on time.
- Students are expected to exhibit virtuous behaviors such as, but not limited to honesty, integrity, and trustworthiness. Therefore, any student caught cheating or plagiarizing on a test or other school assignment may receive a grade of 0 (zero), and the parent will be notified by the teacher. See JCSD School Board Policy IHA.

### **Conferences**

- At various times during the school year and for many reasons, teachers and parents should confer concerning students. These conferences should be prearranged during school hours. To prearrange a conference, parents may write the teacher requesting a conference, or it may be arranged through the school office. The school office personnel do not give out teacher's home telephone numbers.
- Teachers are not available by phone or in person for parent/teacher conferences during instructional time. Parents are not to go to the teacher's room during school hours to schedule a conference. Trying to meet with teachers at unscheduled times is disruptive and unfair to the teacher and the students.
- In order for all students to receive maximum instruction during the school day, all parents are required to wait in the office when waiting for a conference or when picking up their children or their children's work. See JCSD School Board Policy IHA.

## **Middle School (6-8) Academic Guidelines**

### **Grade Level Classification**

The student's classification will be determined by successful completion of the following courses:

- 6th grade - 5th grade courses: ELA, math, science, and social studies
- 7th grade - 6th grade courses: ELA, math, science, and social studies
- 8th grade - 7th grade courses: ELA, math, science, and social studies
- 9th grade - 8th grade courses: ELA, math, science, and social studies

Students may be promoted to grade 9 who participate in school remediation and/or credit recovery programs. Participation in these programs must have parent and principal approval. Please note: the student cannot fail more than two required courses for promotion. See JCSD School Board Policy IHA.

### **Examinations and Exemptions Tests**

- Tests in all subjects are given at the end of each nine weeks. These tests will be given on the date assigned and count 20% of the nine (9) weeks grade. Tests that are pre-assigned prior to a student's absence will be taken on the day the student returns to class. Nine (9) week tests are comprehensive over the nine week term.
- Any student caught plagiarizing or cheating on a test, homework, or other school assignment may receive a grade of zero (0), and the parent will be notified by the teacher.

### **Exemption Policy**

Criteria for semester exam exemptions are:

- A student is eligible for exemption if he or she has a 90-100 semester average with no more than four (4) absences per semester in a course or the student has maintained an 80-89 semester average with no more than two (2) absences per semester.
- The student can have no more than one (1) ISI discipline incident and no OSS per semester.
- All absences are counted toward exemption. This includes parent notes, doctor excuses and unexcused absences. Principal has discretion to allow exemptions under extenuating circumstances.

Absences: All absences are counted toward exemption with the exception of hospitalization and outpatient procedures. Emergency room visits does not qualify. This includes parent notes, doctor excuses, and unexcused absences. See JCSD School Board Policies IHA and IHAA.

### **Grades**

Tests count 40%, exams count 20%, daily work counts for 30%, and homework counts for 10%. The course average will consist of the average of the two terms. See JCSD School Board Policies IHA and IHAA.

### **Extended School Guidelines**

- Extended school year programs provide the means by which students (grade 6-8) may be taught content and objectives not mastered during the regular school session. The extended school year program shall depend on the availability of qualified teachers.
- To be eligible to attend extended school, a student must meet all of the following criteria:
  - Have a yearly average of not less than 55.
  - Be no more than one reading level below the level required for promotion in Policy IHA (IHE) in grades where a required level is specified.
  - Grades 6-8 has not failed more than two (2) subjects.

- In an extended school session, the number of courses in which a student may enroll is determined by his/her grade classification:
  - Grade 8: has not failed more than 2 subjects.
  - Algebra I cannot be taken during extended school year. Math remediation may be taken during extended school year for promotion.
- The tuition is \$150.00 per subject. The number of students registering for specific courses will be determining factors as to which courses will be offered in the extended school session.
- The extended school session may end on the last working day in June.
- For each student enrolled in extended school, there will be a copy of prescribed objectives/content to be mastered by that student. Core skills are not the only skills the student will be required to master. The prescribed objectives/content will be provided by the classroom teacher(s) for whom the student did not master the objectives- content as part of the teacher end-of-year checkout process.
- Students who have not completed mastery of required skills/content by the end of the extended school term will be retained in the grade in which they were enrolled at the end of the school year.
- Out of district students are not allowed to attend. Before transfer students from within the district are officially enrolled in the extended year session, parents of the transfer students must bring to the receiving school documentation that reflects approval of the principal of the home school and a copy of the prescribed objectives/content to be mastered by the students.
- The extended school year program will comply with the guidelines established by the State Department of Education and contained in Accountability.
- All Jackson County School Board policies apply to extended school where applicable.
- The Assertive Discipline Plan followed by the Jackson County School District during the regular school year will be the one used during the extended school session. Each student will receive a copy of the teacher's classroom rules and the consequences for not following them.
- If a student is sent to the office, the following actions will be taken:
  - The first time: Parents will be notified of the misbehavior and the fact that if the student is referred to the office a second time, he/she will be dismissed from extended school and will forfeit any fees paid.
  - The second time: Student will be dismissed from extended school and will forfeit any fees paid. See JCSD School Board Policy AEBA and MS Code 37-7-301(m)

## **High School (9-12) Academic Guidelines Policies Regarding Selection of Subjects**

- Students are allowed to select on-line and correspondence courses for graduation credits provided the following guidelines are followed:
  - Enrollment in on-line and correspondence courses must have prior approval granted by the principal.
  - The courses must meet all requirements cited in the Mississippi Curriculum Frameworks and the Approved Courses for Secondary Schools in Mississippi.
- Students who transfer from another state's accredited school shall be permitted to apply those credits the district's requirements. See JCSD School Board Policy IHA.

### **Dual Credit (DC)**

- Students must have a B (3.0 on a 4.0 scale) grade point average to take dual credit (DC) courses.
- Dual credit courses which are taken through a local community college must be pre-approved by the community college, the Mississippi Department of Education, and the school principal.
- In establishing students class rank as determined by quality point average (QPA), students will only be allowed to count eight (8) dual credit courses. If a student has taken more than eight (8) dual credit courses, regardless of where taken, the courses calculated into Quality Point Average (QPA) will be the eight (8) dual credit courses with the highest averages. All dual credit courses will count in the grade point average (GPA) calculation.
- Only dual credit courses included on the Mississippi Department of Education (MDE) approved course list will count in determining class rank.
- Weight of dual credit (DC) courses will be the same weight as Advanced Placement (AP) classes.
- Dual credit (DC) courses will award credit based on one (1) high school credit per three (3) credit hour college course successfully completed.
- Please see your school counselor regarding classes available for dual credit (DC).

### **Grades**

Tests count 50%, exams count 20%, and daily work counts for 30%. The course average will consist of the average of the two terms. See JCSD School Board Policy IHA.

### **Grade Level Classification**

A student's classification will be determined by the number of units of credit completed prior to the first day of the new school year.

- To be 10th grade - 6 credits
- To be 11th grade - 13 credits
- To be 12th grade - 20 credits

See JCSD School Board Policy IHA.

**Exemption Policy**

Schools will administer a comprehensive examination that includes all work completed during a particular Course. This exam will account for 20% of the Term grade.

No exemptions for 1st or 3rd term courses. Out of School Suspension (at any time during the length of the course) automatically disqualifies a student from exemption in that course

For a student to be qualified for an exemption in a particular course, he/she must meet one of the criteria listed below:

- Have an average of 90-100 for the course and no more than four (4) absences per semester course or no more than two (2) absences per nine (9) week course.
- Have an average of 80-89 for the course and no more than two (2) absences per semester course or no more than 1 absence per 9 week course.
- Seniors Only: Have a passing average for the course, plus at least a passing average for the last Term of that course and no absences during the last Term of that course.
- Students in grades 9-11 with perfect attendance for the year (Terms 1-4); who have a passing average can be exempt from the Term 4 exam in May.
- Perfect attendance is defined as being present all day every day.
- Those students taking year-long courses may be exempt at each semester using the same criteria as #1 and #2 above.
- The student can have no more than one (1) ISI discipline incident and no OSS per semester.

**Absences:**

All absences are counted toward exemption with the exception of hospitalization and outpatient procedures. Emergency room visits may not qualify. This includes parent notes, doctor excuses, and unexcused absences.

Note: Some classes will be completed in one Term, and others will be completed in two Terms.

Participation in the following activities is not considered an unexcused absence and does not count toward an absence for exemption:

- School related activities
- Two senior college days per year, approved by the guidance counselor
- University honors placement exams approved by the guidance counselor

Any student who qualifies to be exempt in a particular course has the option of taking the examination for that course. See JCSD School Board Policy IHAA.

## **Student Notification of Prohibition of Electronic Communication Devices during Statewide Tests**

The Mississippi Public Schools Accountability Standards, 2014, Standard 22, Prohibits the Possession and/or Use of any Electronic Communication Device, including but not limited to iPod's, MP3 Players, Bluetooth devices, Cell Phones, and/or other personal digital assistance devices, by students during the administration of scheduled Statewide Tests.

Possession of any such device, even if is not being used, is a violation of State Policy. Example: A student having a cell phone in his/her possession anywhere on his/her person during the Test Administration is a Testing Violation. The school prohibits the possession and/or use of any electronic communication device, including but not limited to iPod's, MP3 players, Bluetooth devices, cell phones, and/or other personal digital assistance devices during the administration of scheduled statewide tests. If an electronic device is in possession during a test, the test will be invalidated as mandated by the Mississippi Department of Education.

The consequence of this testing violation is that the test results for the student will be invalid: therefore, the score of any student in possession of these prohibited devices during the test administration will be invalid. No score is reported for an invalid test; therefore resulting in a non-passing score for Subject Area Test. See JCSD School Board Policy JAB, II, MS Codes 37-16-1-5 and 37-15-33.

## **Awarding and Recording of Grades**

In the event a student does not receive credit for a subject because of excessive absences, expulsion, or drops out of school, NC will be recorded in the applicable place in the student's cumulative folder and on the permanent record.

When a student completes a subject, the actual grade the student earned will be recorded in the appropriate place in the student's cumulative folder and on the permanent record. See JCSD School Board Policy IHA.

## **Reports of Student Progress**

Progress Reports of students' accomplishments will be sent home four times during the year. Dates for progress reports are listed on the school calendar located in the handbook.

If the parents desire a conference with the teacher, it may be arranged by making an appointment through the principal's office. See JCSD School Board Policy IHA.

## **Honor Roll**

There will be a Superintendent's Honor Roll for students making a quality point average (QPA) of 4.5 or above. There will be a Principal's Honor Roll for students making a quality point average (QPA) of 4.00-4.499. See JCSD School Board Policy IHA.

## **The Awards Day Program**

Each year awards will be given to the outstanding student in each department. All awards will be given at an Awards Day Program near the end of the school year. Perfect attendance is defined as attending school all day every day.

See JCSD School Board Policy IHA.

## **Standards for Participation in Extra-Curricular Activities for Schools on the Block (4 x 4) Schedule**

It is a privilege, not a right, for a student to participate in extra-curricular activities.

To be eligible for participation, a student must meet the following minimum scholastic requirements at the end of the school year to be eligible for the beginning of the next school year or at the end of the first semester to be eligible for the second semester.

Students must follow all requirements by the Handbook of the Mississippi High School Activities Association, Inc. [www.misshsaa.com](http://www.misshsaa.com). In addition to the Handbook of the Mississippi High School Activities Association, cheerleading information can be located in the Criteria for Cheerleading Selection Policy IDFB. See JCSD School Board Policy JH.

### **Student Drug Testing**

#### **Statement of Purpose and Intent**

The Jackson County School District (JCSD) recognizes that drug use by students participating in athletics, cheer, dance, band, and/or choir, a drivers' education course, and those who drive and park on campus (hereinafter "participating students") present special concerns about the dangerous combination of drugs and participation in these activities. While the misuse or abuse of illegal drugs, prescription and even non-prescription drugs is unsafe for any student, the additional demands placed upon participating students make such misuse or abuse dangerous.

In response to the serious health risks and other risks posed by participating students' use, JCSD has implemented a drug testing policy which is designed to provide early detection of drug use and to eradicate or reduce significantly use and influence of prohibited drugs and other chemicals by participating students.

In pursuit of these purposes, JCSD declares that the use of prohibited drugs, or intoxication and physical influence thereof, by participating students is inherently unsafe. Such use, intoxication or influence should be detected and prevented and such participating students should be counseled, educated and monitored. This policy is adopted to promote the safety, health and well-being of participating students and is not intended to be disciplinary or punitive in nature. The sanctions provided for herein relate solely to limiting the opportunity of any student found to be in violation of the policy to participate in the covered activity. There will be no academic sanction for violation of the policy and the policy is intended to complement all other policies of the JCSD regarding the possession or use of illegal drugs. Beginning July 1, 2017, this policy will become effective.

All students enrolled in JCSD who are in 7th grade or higher and who (1) participate in any JCSD High School or Middle School athletic program, cheer, dance, choir, and/or band or (2) obtain a parking permit to allow them to drive and park on a JCSD campus or (3) enroll in a drivers' education course shall be subject to drug testing to the extent and manner provided for in this policy.

The Board authorizes the superintendent to implement procedures in furtherance of the goals of this policy.

## **ADMINISTRATIVE PROCEDURE**

### **Concurrent Drug Testing Policies**

This policy and the JCSD policy on drugs as listed JCSD Student Handbook shall be administered separately and concurrently. Tests occurring under this policy shall not be used for or considered for the purposes of the JCSD Assertive Discipline Program; however, test results under the Assertive Discipline Program may be considered for the purposes of eligibility to participate in athletics, cheer, dance, choir, and/or band or to drive to and park on the JCSD campus or to enroll in drivers' education course and for testing or monitoring under this policy. Participating students are subject to all related policies concerning this subject area.

### **Implementation**

All participating students and their parents or guardians will be notified of this policy upon (1) entering an athletic program, cheer, dance, choir, and/or band, or (2) seeking a JCSD parking permit, or (3) enrolling in drivers' education course. The JCSD Superintendent and/or his or her designees shall be responsible for the fair, impartial and complete implementation of this policy and for ensuring the no-notice, surprise nature of all testing. The JCSD Administration shall be responsible for the coordination and execution of all testing through a third party vendor, which is the MRO.

The initial method of collection will be done by urinalysis.

### **Consent/Refusal to Consent**

The parents or legal guardians of participating students will be asked to sign a consent form acknowledging this policy, authorizing the test for prohibited drugs as provided for in this policy and consenting to the release of the tests results to the MRO, Superintendent and/or his/her designees on a need to know and confidential basis. The test results will also be provided to the parents/guardians of the participating student. If a participating student and/or his or her parent/guardian declines or fails to sign the consent form, the student will be ineligible to participate in any JCSD athletic program, cheer, dance, choir, and/or band or to drive and park on the JCSD campus or to enroll in drivers' education course. The consent form to be used for purposes of this policy shall be formulated by the MRO and Superintendent.

### **Annual Testing**

As an annual prerequisite for participation in a JCSD athletic program, cheer, dance, choir, and/or band, or for permission to drive and park on the JCSD campus, or enrolling in drivers' education course, parents/guardians of participating students must sign a consent form acknowledging this policy, authorizing the test for prohibited drugs as provided for in this policy. Any student who tests positive for drugs may be ineligible to participate in JCSD athletics, cheer, dance, choir, and/or band or to drive and park on the JCSD campus or enroll in drivers' education course as provided in this policy, or, in the discretion of the Principal or Athletic Director, and approved by the Superintendent, may participate subject to the provisions of Section III. 9. of this policy.

**Random Testing**

Participating students will be tested on a random basis for use of prohibited drugs. Random testing shall be conducted no less than two (2) times during a school year and may be conducted during the school year at any other time during the school year as determined by the Superintendent. The random testing shall not be announced or revealed prior to the time of commencement and shall be conducted on a no-notice, surprise basis. The JCSD Superintendent and his designees shall determine the percentage of participating students tested in any one (1) random test not to exceed ten percent (10%) of eligible students on a specific campus or the designated amount budgeted by the school board for the cost of the MRO contract for drug analysis tests. Once the percent is established for the year it will be applied consistently in each attendance center. The Superintendent and his designees shall take all reasonable steps to assure the integrity, confidentiality, and random nature of the MRO selection process. This would include, but not necessarily be limited to the MRO:

- Assuring that the names of all participating students are in the pool.
- Assuring that the person drawing the names has no way of knowingly choosing or failing to choose particular students for the testing.
- Assuring that the identity of students for testing is not known to those involved in the selection process.
- Assuring the direct observation of the selection process by at least two certified employees of the District as determined by the Superintendent.

**Specimen Collection**

All specimens will be collected under reasonable and sanitary conditions. Individual dignity and privacy will be preserved to the extent practicable. Universally accepted standards for testing, labeling, storage and transportation of specimens will be strictly followed by the testing facilities. The MRO will request information before each confirmation test regarding prescription and non-prescription drugs and any other information which could lead to a false positive test. JCSD staff shall be present only for supervising of students during random testing. No JCSD staff shall be involved in the collection, storage, labeling, or handling of specimens from random testing unless necessary because of the student's handicapping condition that has been previously documented.

**Testing Procedures**

A laboratory certified by the National Institute of Drug Abuse will be designated by JCSD to perform all initial drug tests and selection of students. The laboratory and the MRO will be responsible for the handling and safe delivery of all positive specimens to the confirmation laboratory and such delivery will be accomplished through proper chain of custody procedures.

### **Finding of Drug Use Consequences**

If a student violates this policy, the consequences described below will apply only to the component of the activity impacted by the violation (i.e., athletics, dance, cheer, band, choir, driving on campus, and/or driving during drivers' education class). The student's grade will not be lowered because of the student's suspension from participation in these activities; however, a student will not be allowed to drive until a negative test result occurs, which could negatively impact a grade in a drivers' education class. The student may be expected to complete alternative assignments during the suspension in order to maintain his or her grade.

#### **First Violation**

If the initial test for drugs indicates a negative result, no further test will occur unless there is good reason to suspect the quality of the specimen sample. If the initial test indicates a positive result, a confirmation test will be conducted immediately. Should the confirmation test also indicate a positive result for a participating student, the following consequences shall be imposed:

- The district will notify the student and his or her parent/guardian via a phone call and in writing of such positive test results.
- The student shall be suspended from participation in all athletics, cheer, dance, choir, and/or band activities (which encompasses, for purposes of this policy, all participation including: tryouts, practices and competitions) and from driving to and parking on a JCSD campus or being enrolled in a drivers' education course for a minimum of thirty (30) days, which can be reduced by half upon the successful completion in a drug counseling and/or drug education program and passing a second drug test.
- The student shall submit to a mandatory drug test at a laboratory certified by the National Institute of Drug Abuse that will be designated by JCSD, on or about thirty days after the date on which JCSD received notification of the confirmation tests positive result. Parent/Guardian will be responsible for the cost of the test and JCSD will determine time frame it will be administered. A positive test result shall constitute a separate violation of this policy and shall be treated as a second violation.
- The student shall be required to participate in and complete a drug counseling or education program developed by and provided by JCSD. Refusal to participate in the counseling and/or education program, as set forth in this paragraph, will be treated and handled as a second positive test result.
- The student will not be allowed to resume participation until he/she has had a negative drug test at the expense of the parent/guardian.
- After successfully returning from a first violation, the student may be required to submit to additional unannounced retests within the calendar year of the violation at the discretion of the district. If the student receives a positive result at this point, a second violation is declared.

#### **Second Violation**

Should a participating student test positive for a second time in any two calendar years, the following consequences shall be imposed:

- The MRO or district will notify the student and his or her parent/guardian in writing and/or via phone call of such positive test results.
- The student shall be suspended from participation in all athletics, dance, and cheer, choir, and/or band activities (which encompasses, for purposes of this policy, all participation including: tryouts, practices and competitions) and from driving to and parking on a JCSD campus or being enrolled in a drivers' education course for a minimum of sixty (60) days.

- The student shall submit to a mandatory drug test at a laboratory certified by the National Institute of Drug Abuse that will be designated by JCSD, on or about sixty (60) days after the date on which JCSD received notification of the confirmation tests' positive result. Parent/Guardian will be responsible for the cost of the test and JCSD will determine time frame it will be administered. A positive test result shall constitute a separate violation of this policy and shall be treated as a third violation.
- The student shall be required to attend a drug counseling or rehabilitation program at the expense of the parent/guardian. A drug counselor shall refer the student to a JCSD approved outside drug counseling agency. Documentation of attendance and completion of counseling must be submitted to the principal before participation/eligibility is reinstated.

After successfully returning from a second violation, the student may be required to submit to additional unannounced retests within the calendar year of the violation at the discretion of the district. If the student receives a positive result at this point, a third violation is declared.

### **Third Violation**

Should a participating student test positive for a third time in any two calendar years, the following consequences shall be imposed:

- The MRO or district will notify the student and his or her parent/guardian in writing and/or via telephone of such positive test results.
- The student shall be suspended from participation in all athletic, dance cheer, choir, and/or band activities and from driving to and parking on the JCSD campus and from drivers' education course for a minimum of one (1) calendar year.
- The student shall be required to attend a drug counseling or rehabilitation program at the expense of the parent/ guardian. A drug counselor shall refer the student to a JCSD approved outside drug counseling agency. Documentation of attendance and completion of counseling must be submitted to the principal before participation/eligibility is reinstated.
- The JCSD reserves the right to require the student to submit to mandatory drug testing during the calendar year of the violation as often as deemed appropriate by the administration. The student will not be allowed to resume participation until he or she presents a negative result on retest. No positive test results as described in this policy will be used as grounds to discipline, suspend or expel a participating student, except for the guidelines provided in this policy.

### **Appeal**

A participating student has the right to appeal a decision under this policy by following the grievance procedure as outlined in JCSD Student Handbook and shall be afforded all student due process rights as provided by law. Participation in athletics, dance, cheer, choir, and/or band and parking at JCSD or enrolling in drivers' education course is a privilege only and a student has no property right or interests in such participation.

### **Medical Review Officer**

As part of this policy, JCSD will utilize the services of a medical review officer (MRO) as designated by JCSD. The MRO will interpret, monitor, and evaluate all positive test results so as to determine whether any alternative medical explanation could account for the positive results. The MRO must be a licensed physician, or group of licensed physicians, knowledgeable in drug abuse disorders.

**Confidentiality**

The results of a student's drug test shall not be released to anyone other than the Medical Review Officer (MRO), the Superintendent or his/her designees and the student's parents/guardians.

Results may also be released to the Board of Trustees, the school attorney, athletic department personnel, and/or school advisor on a need-to-know and confidential basis. No other person may receive the test results without the express authorization and consent of the participating student's parent/guardian.

**Cost**

JCSD will bear the cost of the initial drug and confirmation test required by JCSD under this policy. The participating student or his or her parent/guardian will pay the costs of any retest requested by the student and of all tests required after a violation of this policy, as outlined in Section III.9. above. If a parent requests that blood testing or any other alternate method of equal or greater sensitivity be utilized then the parent will be responsible for the additional costs associated with the testing method.

**Use of Prescription or Legal Non-prescription Drugs**

Prior to an initial drug test, a participating student may voluntarily disclose the use of any prescription or non-prescription drugs, but will not be required to do so. If the initial test results are positive, the MRO shall request from the student and/or the parent/guardian information regarding what, if any, prescription and non-prescription drugs, the student was using at the time of the test.

Information regarding a student's need for and use of prescription and non-prescription drugs is considered confidential, sensitive, and private. The information is necessary and will only be used for the assistance and safety of the student needing the medications, the safety of other students, and, in the event of a positive initial test result, to assist the MRO in determining possible causes of a false-positive test. The information should only be available to affected JCSD personnel to the extent practicable.

**Refusal to Submit to Test**

Refusal of any student to submit to testing conducted for any group of students during the school year or upon being selected for random or designated testing will constitute a "violation".

**Self-Referral (Not Allowed After Selection for a Random Test)**

In the event a student wishes to self-refer himself/herself for drug/alcohol usage, it will NOT initially constitute a "violation". A student may self-refer only one (1) time during his/her school career. When a student submits a self-referral, the following shall occur:

- An administrator/parent conference will be scheduled by the student's Principal.
- The student will be ineligible to participate in his/her sport, cheer, dance, choir, and/or band and from driving to and parking on a JCSD campus or driving when enrolled in a drivers' education course, until he/she has enrolled in a recognized Drug Assistance/Education program.
- The student must also then be declared physically safe to participate by a licensed medical physician before being allowed to return to participation.
- Failure of the student to successfully complete the Drug Assistance/Education program will constitute a violation and the student will not be allowed to participate in any school sponsored athletic, dance, cheer, choir, and/or band activities and from driving to and parking on a JCSD campus or being enrolled in a drivers' education course.

### **Prohibited Drugs/Alcohol**

JCSD will test for the use of prohibited drugs in the following groups:

- Marijuana
- Cocaine
- Opiates
- Amphetamines
- Phencyclidine (PCP)
- Spice (synthetic marijuana)

### **Drug Assistance Program Procedures for Intervention Program**

In the event that a student chooses to enroll in a designated Drug Counseling or Rehabilitation program the following steps may be considered:

- The student and his/her parent(s) or legal guardian(s) will be provided with information regarding those designated drug/alcohol intervention programs that are available in our vicinity.
- The student and his/her parent(s) or legal guardian(s) will be responsible for providing for the cost of the program.
- The student and his/her parent(s) or legal guardian(s) will be responsible for transportation to and from the program.
- To ensure that the student successfully completes the program, the parent/guardian will sign a release of information form with the treatment center giving the center the right to share information with the school system's designee. The school will receive a report from the treatment center advising the District of the student's attendance and degree of success. (See JCSD School Board Policy JDAB.)

### **Transfer from Private or Public Non-Accredited Schools and Home Study Programs**

Students transferring into the Jackson County School District from a private or public non-accredited school or home study must meet the following criteria:

- Students in grades 1-8 will be administered a standardized test in reading and math. In addition, the student will be administered an evaluation to determine proper placement in the district's reading program.
- Students in grades 9-12 will be required to take a test consisting of items from the District's Instructional Management Plan before credit can be given for any course taken in a private/public non-accredited school or home study program. Reference: MS Commission on School Accreditation.

# Graduation Information

## **GRADUATES 2019-2021**

All students are encouraged to graduate with a Standard or higher JCSD Diploma. Students must earn a minimum of 28 credits for graduation with a Standard Diploma, 21 credits for a Career Diploma, and 21 credits for a Basic Diploma. Students earning 32 credits will graduate with an Advanced Diploma. The Career Diploma meets all requirements set forth in MS Code 37-16-17. The Basic Diploma track requires a recommendation from teacher, counselor, principal or other appropriate individual; completed application form; approval by a committee comprised of the school principal (or designee), counselor, TST Interventionist, teacher, and special education representative (if applicable); and the parent must provide written consent. Students must meet college and career qualification scores in all core content areas on a series of end-of-course exams and/or the required benchmarks for college readiness on the ACT (19 in English Composition; 22 in mathematics; 22 in reading; 23 in science) or IHL approved college entrance exam with the approval of the Superintendent.

## **GRADUATES 2022 AND LATER will follow the MS DIPLOMA OPTIONS PROVIDED in the STUDENT HANDBOOK.**

The District follows all state mandated requirements for graduation. Specific graduation course requirements are posted in the MS Public School Accountability Standards each year and will change as changes are required by the MS Department of Education or based on school leaders requesting improvements to the current district requirements.

All requirements as indicated by the Mississippi State Department of Education and the Commission on School Accreditation in Mississippi Public School Accountability Standards must be met by the graduate. These requirements include satisfactorily passing the assessments at the level established by the state (MS Code 37-16-7).

Special Education students' diploma and graduation requirements will be based on the criteria established by the Individual Education Plan (IEP)/Vocational transition plan reviewed on an annual basis.

- Special Education Students receiving a diploma must participate in the Subject area Testing Program and pass at the level required by the state (MS Code 37-16-7)
- Special Education students receiving a Certificate of Completion must participate in a course of study outlined in the IEP transition plan for gained employment. Courses allowed for graduation credit must be subjects listed in the Approved Courses for the Secondary Schools of Mississippi. Courses that are not listed in the Approved Courses for the Secondary Schools of Mississippi require approval from the Commission on School Accreditation before being offered.

Courses are not designated as academic/non-academic. The student may complete his/her schedule to include those courses of interest as long as the above requirements are met.

It will be the responsibility of the student to decide if he/she plans to enter college or go into the workforce upon graduation from high school. Once the student makes this decision, he/she should enroll in the courses, while in high school, to prepare for the career of his/her choice.

## **VALEDICTORIAN SALUTATORIAN HISTORIAN RECOGNITION for ACADEMIC ACHIEVEMENT**

The Jackson County School District will compute all courses excluding grades acquired in Physical Education, Driver's Education, Band, and Chorus for senior class ranking.

The student(s) having attained the highest, second highest, and third highest quality point average (QPA) during his/her high school period shall be recognized as Valedictorian, Salutatorian, and Historian respectively. Only students earning a diploma with 28 required credits or more are eligible to serve as Valedictorian, Salutatorian, or Historian until 2022, when it will change to 26 required. See JCSD School Board Policy JF

- A Student may serve as Valedictorian, Salutatorian, or Historian if he/she has attended the respective high school for his/her entire senior year. Grades attained from any school during the high school period will be entered into the aggregate compilation of the Valedictorian, Salutatorian, and Historian recognition: however, in the event that number grades are not sent from a prior school and verification is present that efforts have been made to secure the number grades and these efforts have been unsuccessful, then the following number grades will be given for the following letter grades:

E-3 – (AP) Advance Placement and Dual Credit (DC)

E-2 – Accelerated

E-1 – Honors

<b>A</b>	<b>95</b>
<b>B</b>	<b>85</b>
<b>C</b>	<b>75</b>
<b>D</b>	<b>67</b>
<b>F</b>	<b>64</b>

- The Valedictorian, Salutatorian, and Historian will be chosen based on the highest Quality Point Average through the third (3rd) nine weeks of the senior year.
- The Quality Point System will be utilized to compute and determine the rank-in-class of graduating seniors. Rank-in-class is defined as the comparison of a student's academic performance with those of the members of his graduating class. Class rank computed on the basis of quality points, rather than on grade-point average, projects a more accurate profile of academic performance. It is also designed to encourage many good students to enroll in more challenging courses. Students in advanced courses earn additional quality points directly proportionate to regular courses. In this way those students in courses of average academic difficulty set the 4.0 norm. Additional quality points assigned to advanced academic courses merely serve to achieve a more accurate class ranking. Grade-point averages are unaffected by quality points and will continue to be the report of academic achievement on the high school transcript.
- Students with a quality point average of 4.0 to 4.49 will graduate with honors. Students with a quality point average of 4.5 and above will graduate with special honors.
- Quality Point Equivalency Scale for E-3 – (AP) Advance Placement and Dual Credit (DC), E-2 Accelerated, and E-1 Honors courses and the number of quality points a student will receive for the grade he/she makes in each course is listed in the student handbook.

- In establishing students class rank as determined by quality point average (QPA), students will only be allowed to count 8 dual credit courses. If a student has taken more than 8 dual credit courses, regardless of where taken, the courses calculated into Quality Point Average (QPA) will be the 8 dual credit courses with the highest averages. All dual credit courses will count in the grade point average (GPA) calculation.
- Only dual credit courses included on the Mississippi Department of Education (MDE) approved course list will count in determining class rank.

### **COLLEGIATE ACADEMY or SIMILAR PROGRAMS**

Students enrolled in the Collegiate Academy or similar programs will be ranked separately and will not follow the traditional class ranking. Students enrolled in the Collegiate Academy will not be considered for the Valedictorian, Salutatorian, or Historian. Prior approval must be obtained from a guidance counselor and the school principal to participate in Collegiate Academy or similar programs.

### **DUAL CREDIT**

Dual credit is awarded when students get prior approval to take a college course for high school and college credit. Prior approval must be obtained from a guidance counselor and principal. Failure to get prior approval may result in an ineligible course and no high school credit being awarded. Grades for dual credit will transfer according to the following scale:

<b>A</b>	<b>100</b>
<b>B</b>	<b>89</b>
<b>C</b>	<b>79</b>
<b>D</b>	<b>69</b>
<b>F</b>	<b>64</b>

## **EARLY GRADUATION**

Students and fulfill all requirements for graduation may opt to complete their high school career early. Students will be allowed to participate in the commencement exercises with their class and will receive their diploma at that time. Students will not be allowed to participate in any extra-curricular activities sponsored by the school for the remainder of the school year and will no longer be considered enrolled in the Jackson County School District. Students will be considered as a visitor when present on the high school campus. To qualify for early graduation, a student must complete the following:

- Schedule a meeting with the counselor and present a post-secondary plan (i.e., college, work, vocational training, and military) as a rationale for early graduation.
- The student's parents must attend this meeting.
- A tentative schedule will be created provided the courses are available.
- The tentative schedule must be approved by the Principal.
- The school is not obligated to provide two (2) core courses (per subject) within a school year. (Fall- Spring).
- An exit conference will be scheduled prior to early release. In addition, the principal and parent must approve all early graduations.

## **EXTENDED SCHOOL YEAR**

Extended School Year, if available, may be available to general education students if:

- A student shall be allowed to enroll annually in one course offered for credit. The principal may approve a student to enroll in more than one course for credit, if extenuating circumstances exist.
- A student shall be allowed to enroll in a maximum of two courses offered as enrichment, unless approved by the principal due.
- All other requirements of the Mississippi Public School Accountability Standards shall be met in any summer school or Extended Year program held in the Jackson County School District. In addition, approval will not be granted nor credit awarded, to any student attending a summer school or extended year program not meeting the requirements of the Commission on School Accreditation.
- Extended year programs shall only be available to those students who fail a course with an average of 55 or better.
- A maximum of four units in summer school may be counted toward graduation requirements.

## **EXTENDED SCHOOL YEAR (ESY) FOR STUDENTS with DISABILITIES**

Extended School Year (ESY) is available to students with disabilities based on their IEP and data demonstrating a need.

## **CORRESPONDENCE COURSES:**

The Jackson County School District will follow the Mississippi Public School Accountability Standard for Correspondence courses.

## **PROCEDURE for CORRESPONDENCE COURSES:**

- The correspondence course must have been approved by the principal and administered through an approved program.
- The evaluation criteria will have been administered by a certified member of the school district.
- The correspondence course must be one which is contained in the curriculum of the school in which the student is enrolled.
- The building principal will supervise and administer the tests to the student taking the correspondence course or will assign a counselor within the building to supervise and administer the tests.

## **GRADUATION for STUDENTS with DISABILITIES**

Students with disabilities will be issued a regular education high school diploma, certificate of life skills completion or alternate diploma option as follows:

- By age fourteen (14) or prior to a student entering the ninth grade, an Individualized Education Program (IEP) Committee will consider the exiting options from high school. The parent(s) and, if appropriate, the student will be informed of the requirements for each option and the various alternatives in post-school activities based on each exiting option. An IEP Committee will determine and document the option appropriate for each student.
- Students pursuing a regular education high school diploma must meet the requirements set forth by the State Board of Education and the Jackson County School District. Special education and related services will be provided to assist a student to reach this goal based on the student's IEP.
- For students who are significantly cognitively disabled pursuing alternate diploma completion, a comprehensive curriculum of basic life skills will be utilized for instructional purposes. Transition services, including a functional vocational evaluation (if appropriate), will be provided based on each student's preferences and interests, his or her IEP and the planned outcomes for post-secondary activities specific to the student. As determined appropriate by the IEP Committee, transition services may include
  - Instruction in functional academics
  - Community experiences
  - Adult living
  - Employment skills
  - Related services
  - Daily living skills
- An IEP Committee will review the previous exiting option decision for each student at least annually. The committee, along with the parent(s) and, if appropriate, the student, may change the original or previous decision regarding the student's exiting option.
- Students pursuing the alternate diploma option, which is not equivalent to a traditional high school diploma and is not recognized by postsecondary entities that require a traditional high school diploma. All students are required to participate in the Mississippi Assessment Program Alternate Assessment (MAAP-A) with a score TBD. Students who have met the criteria on their IEP for having a Significant Cognitive Disability (SCD) may participate in a program of study to earn the Alternate Diploma.
- Every student who completes an approved course of study by or before age 21 will receive an alternate option diploma and will be permitted to participate in graduation activities.

## **GRADING for STUDENT with DISABILITIES**

- All grades awarded to students in grades 1-12 shall be awarded in compliance with the district's promotion/retention policy.
- Grades awarded to students who have been ruled eligible for special education services and who are also actively participating in the District's special education program(s) shall be based on the following:
- Inclusion and resource students receiving a traditional diploma is based on the same guidelines as the district's promotion/retention policy. Accommodations/modifications provided in coordination of both special classroom teachers and general classroom teachers to obtain final grades will be provided.

## **GRADUATION CEREMONIES**

The following requirements concerning graduation ceremonies shall be met:

- The scheduling of formal graduation ceremonies shall be limited to those honoring senior students who have successfully completed prescribed secondary school graduation requirements.
- Preparation for graduation ceremonies shall be scheduled in such manner that complies with all MS Department of Education requirements.
- The secondary schools shall not deliver a diploma, signed or unsigned, to a student who fails to meet the requirements for graduation. A student who fails to meet the graduation requirements is not permitted to participate in graduation exercises. Students who have completed satisfactorily the local district's secondary curriculum for special education may be awarded a high school certificate or diploma which states, "This student has successfully completed an Individualized Educational Program." This student may be permitted to participate in graduation exercises.
- All State and District requirements must be met in order for a student to participate in graduation or receive a diploma. This includes foreign exchange students. (Decision of Mississippi Commission on School Accreditation, Summer 1988).

## **STUDENT MESSAGE at GRADUATION CEREMONIES**

It is the intent of the Jackson County School District to allow the graduating senior class the discretion to use a brief opening and/or closing message, not to exceed two (2) minutes at their respective school graduation exercises. If the graduating class chooses to use an opening and/or closing statement, the message shall be given by a student in the graduating senior class chosen by the senior class as a whole and the message shall be wholly prepared by the student selected. The content of the message delivered shall not be monitored or otherwise reviewed by the school administration, the board of education or any school district employee, but the content shall not be libelous, slanderous or obscene. The printed event program at all graduation ceremonies shall include the following disclaimer: "The opinions, remarks and viewpoints expressed by any student speaker at this ceremony do not reflect the endorsement, sponsorship, position, opinion, expression or viewpoint of the Jackson County School District."

## **PARTICIPATION in GRADUATION CEREMONIES/DISCIPLINE VIOLATIONS**

- The Jackson County Board of Education recognizes that participation in graduation ceremonies is a significant milestone in the education of our students and believes that said participation should be protected whenever possible. However, schools must have the ability to discipline students who are near the end of their academic career in the high schools in the Jackson County School District in meaningful ways in order to sustain the type of safe, secure, disciplined environment that is necessary.
- In accordance with this philosophy, it shall be the policy of the Jackson County Board of Education that high school seniors will be held to high standards of discipline until the conclusion of the academic year. Since some of the typical discipline measures that are approved for other students are not applicable for seniors who are near the end of the school year, additional measures need to be available to administrators in the high schools.
- Any senior who commits a Level 5 infraction (as defined by the discipline code of the district) during the last 9 weeks of the school year may have his/her right to participate in the graduation exercises for his/her school revoked.
- This policy does not restrict the ability of the administration to address severe discipline issues that may occur during an earlier term of the school year in any way.

# Student Conduct Procedures

## **Mississippi School Safety Act Of 2001**

The Mississippi School Safety Act of 2001, provides additional disciplinary procedures to the school district's existing authority regarding the discipline of students. In conformity with the Act, the school district has adopted policies that recognize the teacher as the authority in classroom matters regarding the school district's written discipline code of conduct, and the right of the teacher to remove from the classroom any student who in the professional judgment of the teacher is disrupting the learning environment, subject to the immediate review of the principal or assistant principal.

In the event the removal is approved by the principal or assistant principal, the student may not be returned to the classroom until a conference has been held with the student's parent, guardian or custodian during which the disrupting behavior is discussed and agreements are reached that no further disruption will be tolerated. The conference may be in person, by telephone, by e-mail or by other written communication.

The term "disruptive behavior" means conduct of a student that is so unruly, disruptive or abusive that it seriously interferes with a school teacher's or a school administrator's ability to communicate with the students in a classroom, with a student's ability to learn, or with the operation of a school or a school-related activity, and which is not covered by other laws related to violence or possession of weapons or controlled substances on school property, school vehicles or at school-related activities. Such behaviors include, but are not limited to: foul, profane, obscene, threatening, defiant or abusive language or action toward teachers or to other school employees; defiance, ridicule or verbal attack of a teacher; willful, deliberate and overt acts of disobedience of the directions of a teacher.

If a student commits "disruptive behavior" as determined by the principal or assistant principal for a second time during the school year, the principal, reporting teacher and the student's parents will develop a behavior modification plan for the student.

A student, thirteen years or older, who does not comply with the behavior modification plan may be deemed to be "habitually disruptive" and subject to expulsion if the student commits a third act of "disruptive behavior" during the school year. Students under age thirteen may be subject to expulsion for such conduct pursuant to other school policies and procedures. The term "habitually disruptive" refers to such actions of a student which causes disruption in a classroom, on school property or vehicles or at a school-related activity on more than two (2) occasions during a school year, and to disruptive behavior that was initiated, willful and overt on the part of the student and which required the attention of school personnel to deal with the disruption.

Students with disabilities are responsible for adhering to the same rules of conduct as non-disabled students. State and federal regulations relating to students with disabilities will be followed when implementing discipline procedures. See JCSD School Board Policy JD, JDH, IHF, and JDD.

## **Code of Conduct**

In implementing conduct and personal appearance regulations, it should be stated that the primary responsibility for the conduct and personal appearance of a student rests with the student and the parents. Every effort should be made to impress upon the students and the parents that discipline and order can only be maintained in the school when the school is not used as a vehicle for disruptive influences. In carrying out school regulations, students, parents, teachers, and the administrative staff should observe the following:

- Administrators and teachers shall hold students to strict account for disorderly conduct or misconduct at any school, on the way to school meetings, programs, functions and activities, and upon school buses. The superintendent or principal/school administrator of any school may suspend any student from school for good cause.
- The superintendent or the principal/school administrator of a school may have the power to suspend a student for any reason. The following steps should be followed by the parents should they wish to appeal a decision made by the principal:
  - Appeal to the Assistant Superintendent of the Attendance Center
  - Appeal to the Superintendent
  - Appeal to the School Board
- Courts have ruled that teachers must maintain their effectiveness and respect in order to perform their duties as a teacher. The effectiveness and respect must be maintained on or off the school premises and during or after school hours. (ref. MS. Code 37-11- 21)
- The Board of Education of the Jackson County School District is dedicated to maintaining a secure and educationally sound environment for its students and staff. Therefore, to ensure safety, security and an atmosphere conducive to teaching and learning on all campuses, it shall be the policy of this board that upon entering the campus of any school within this district, all visitors must report immediately to the office of the school principal and obtain his/her permission before visiting any part of the campus. Each visitor must sign a visitor list in the principal's office. A visitor's badge will be issued and must be worn at all times while on the school campus. The badge will be returned to the principal's office when the visitor departs the campus.
- A teaching situation, which is conducive to learning, must be maintained. Therefore, any student whose actions make it impossible for the teacher to devote full attention to the class will be sent to the principal's office. The administrator will review the case and try to resolve the problem. The Board of Education will support and protect its teachers and administrators when they are making a conscientious professional effort. The code of conduct shall take effect and be in force from and after its adoption and does not change any previous codes.
- Student Search and Seizure Courts have ruled that teachers and school administrators are "in loco parentis" of students. This means that teachers and administrators are acting in place of parents during the school day and may do anything a parent would do to maintain discipline. In addition, school officials must protect all students from possible harm. Therefore, courts have ruled that school officials may conduct searches of students when there is a reasonable suspicion that the student might possess items that might harm themselves or other students (drugs, paraphernalia, alcohol, weapons, stolen items, tobacco, electronic cigarettes, any smoking devices or any other items that might cause harm to that student or other students). These court rulings were made in order to protect all students of possible harm. "Emerging First and Fourth Amendment Rights of the Student." 1 J. Law and Education 449, 451 (1972) "In re Donaldson", 269 Cal. App. 2nd 509, 75 Cal. Rptr. (1969) "Mercer v. State" .450 S.W.2d 715 (1970)

The Board of Education is mindful of public concern about student discipline and protection in the school. It is the responsibility of the Board to provide a situation in the schools where learning can take place. This responsibility has been upheld in the past and will continue to be with the continued positive, wholesome attitude toward learning on the part of the students and their parents or guardians. Students who come to the schools to learn will cause no trouble nor get in trouble. When pupils come from homes where parents have a positive attitude toward learning and have the ability to adjust to change, discipline and conduct problems are minimized.

The principals, counselors, and all classroom teachers continue to have responsibility to teach by precept and example good conduct and positive attitude toward learning. They and parents, also, have a responsibility to help students develop wholesome attitudes toward themselves, other students and teachers.

- Upon arrival, all persons, other than school employees and pupils enrolled at that specific school, must first go to the principal's office to secure admission to the campus. Otherwise, they will be considered to be trespassers and, as such, subject to arrest and prosecution. Therefore, to ensure safety, security, and an atmosphere conducive to teaching and learning on all campuses, it shall be the policy of this board that upon entering the campus of any school within this district, all visitors must report immediately to the office of the school principal and obtain his/her permission before visiting any part of the campus. Each visitor must sign a visitor's list in the principal's office. A visitor's badge will be issued and must be worn at all times while on the school campus. The badge will be returned to the principal's office when the visitor departs the campus.
- Students are not to bring brothers, sisters, or friends to school for any reason. The Board of Education of the Jackson County School District is dedicated to maintaining a secure and educationally sound environment for its students and staff.
- A teaching situation, which is conducive to learning, must be maintained. Therefore, any student whose actions make it impossible for the teacher to devote full attention to the class will be sent to the principal's office. The administrator will review the case and try to resolve the problem. The Board of Education will support and protect its teachers and administrators when they are making a conscientious professional effort.

This code of conduct shall take effect and be in force from and after its adoption and does not change any previous codes. See JCSD School Board Policies JD, JDH, IHF, and JDD.

### **Addendum to the Code of Conduct**

- A parent, guardian or custodian of a compulsory-school-age child enrolled in the school district shall be responsible financially for his or her minor child's destructive acts against school property or persons.
- A parent, guardian or custodian of a compulsory-school-age child enrolled in the school district may be requested to appear at school by the school attendance officer or an appropriate school official for a conference regarding acts of the child specified in paragraph 1 of this subsection, or for any other discipline conference regarding the acts of the child.
- Any parent, guardian or custodian of a compulsory-school-age child enrolled in a school district that refuses or willfully fails to attend such discipline conference specified in paragraph 2 of this section may be summoned by proper notification by the superintendent of schools or the school attendance officer and be required to attend such discipline conference.
- A parent, guardian or custodian of a compulsory-school-age child enrolled in a public school district shall be responsible for any criminal fines brought against such student for unlawful activity occurring on school grounds or buses.

The Jackson County School Board has adopted the "Assertive Discipline Model" plan developed by Lee Canter as the format for maintaining an atmosphere conducive for learning in the classroom. Each child will receive his/her classroom rules and take them home for parents to sign and return to his/her teacher. Each child will also be instructed about other behaviors which are not acceptable and the consequences that accompany the behaviors.

As a component of the "Assertive Discipline Model, the following is a list of some of the more serious behaviors that students shall not display while being supervised by school personnel at school, at school sponsored activities and while being transported on a school bus. Disciplinary action is not limited only to the behaviors listed below. The actions listed on the following Disciplinary Ladder will be taken by the principal when students are referred to the office for reaching Step 5 on a teacher's classroom discipline plan, or sent to the principal's office for misbehavior outside the classroom.

The escalation through the steps of the "Assertive Discipline Model" may vary depending upon a student's age, grade, and discipline history; therefore, Jackson County School District will institute a separate step ladder for Elementary (P – 5) and Secondary (6 – 12) schools. See JCSD School Board Policies JD and JDD.

### **Violence Policy or "Threat Protocol"**

As a result of the violence and numerous shootings that have taken place nationally on school campuses, the Jackson County School District feels that it must take action to prevent an incident of this nature from occurring in our school district. The following actions will be taken with students making threats to do bodily harm on a school campus or at a school function:

- Students making threats to other students, teachers, administrators, and other school personnel or in the community that they would like to do bodily harm to someone else or themselves on the school campus or at a school function may be reported to the sheriff's department. Students making these threats may be recommended to the school board for expulsion. Before the students return to school they will need to provide school officials with documentation that they have undergone counseling and/or psychological evaluation and that they pose no threat to students or school personnel.
- Students who hear other students making threats to other students, teachers, administrators, or other school personnel are encouraged to report this action to a teacher or an administrator. The names of students making such reports will be kept in confidence. In addition, a toll free number is available to report any situation that could put your school's safety at risk. This number, 1-866-960-6472, is provided by the State of Mississippi, Department of Safe and Orderly Schools. All calls are confidential and no one will ask for your name.
- School personnel are aware of the unwritten code that you do not "tattle" on a fellow student, but feel that when the lives of one or more students, teachers, administrators or other school personnel are threatened, this code does not apply. Students who withhold such information could face disciplinary action. See JCSD School Board Policy EBBB, EBBC-R, JCD, JDE, JDD, and MS Code 37-11-21.

### **Part 1**

In accordance with Title VII of the 1964 civil Rights Act, as amended in 1972, Section 703, no employee in the Jackson County School District shall be subject to sexual harassment. Furthermore, students in academic institutions are protected from sexual harassment by the Title IX of the Education Amendment of 1972, and shall not be subjected to sexual harassment by their peers or employees.

It is the intent of the school board to maintain an environment free from sexual harassment of any kind. Therefore, unwelcome sexual advances, requests for sexual favors, retaliation against persons involved in sexual harassment complaints and investigations, and other verbal or physical conduct of a sexual nature amounting to or constituting harassment are prohibited.

### **Part 2**

Unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when certain criteria are met.

#### **Criteria I:**

Submission to such conduct is made either implicitly or explicitly, a term or condition of employment, the assignment of grades, or promotion, or used to deprive the student of access to the educational opportunities and benefits provided by the school district.

#### **Criteria II:**

Submission to or rejection of such conduct by an individual is used as the basis for employment or academic and other educational decisions affecting such individual.

#### **Criteria III:**

Such conduct has the purpose or effect of unreasonably interfering with the individual's work performance or creating an intimidating, hostile, or offensive working environment. With regards to students, the criteria are when such conduct has the purpose or effect of unreasonably interfering with the student's educational performance or creating an intimidating, hostile, or offensive learning/teaching environment.

Criteria I and II are examples of quid pro quo or conditional sexual harassment.

Criteria III is an example of hostile work or learning/teaching environment.

### **Part 3**

Complaints of violation of this policy should be immediately reported to an administrator, teacher, counselor, or the Title IX coordinator/district counsel without fear of reprisal. If your supervisor or administrator is the person you believe has engaged in sexual harassment, report it to the Assistant Superintendent resources or the Title IX coordinator/district counsel. No administrator, manager, or supervisor has the authority to condition the terms and conditions of employment, such as raises, assignments, or promotion, on the receipt or denial of sexual favors. Likewise, no administrator, teacher, or other school official has the authority to condition grades or promotions, or other academic decision on the receipt or denial of sexual favors.

Therefore, should violation prove to be legitimate, the offending employee shall be subject to disciplinary action, including involuntary termination of employment. Students who engage in sexual harassment of other students shall be subject to disciplinary action, including suspension and expulsion.

### **Part 4**

The school district will not in any way retaliate against an individual who makes a complaint of sexual harassment or against any participant in the investigation nor will it permit an supervisor, administrator, principal, or employee to do so. Retaliation is a serious violation of the sexual harassment policy and should be reported immediately. A person who engages in retaliatory conduct against another individual for reporting sexual harassment will be subject disciplinary action up to and including termination.

### **Part 5**

Relationships between individuals who occupy different levels of authority are banned. If there are relationships between individuals who occupy equal levels of authority then those individuals will exhibit professional conduct in the workplace.

### **Definitions of Bullying or Harassing Behavior**

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits.

A "hostile environment" means that the alleged victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole. (See JCSD School Board Policy JDC.)

**Student Bullying Policy (See Policy JDC)**

The Jackson County School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristics that (a) places a student or school employee in actual or reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the alleged victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school- sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

The Jackson County School District makes every reasonable effort to ensure that no student or school employee is subjected to bullying and harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against an alleged victim, witness, or a person with reliable information about an act of bullying or harassing behavior. The District requires anyone who has witnessed or has information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The Jackson County School Board directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures are appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions".

Furthermore, the Jackson County School District defines one "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior. The policies and procedures must recognize the fundamental right of every student to take reasonable actions as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. [Ref: SB 2015; Miss. Code Ann. 37-7-301(e)] (JCSD Policies JDB and JDC)

**Procedures for Bullying or Harassing Behavior**

Students and employees in the Jackson County School District are protected from bullying or harassment by other students or employees. It is the intent of the Board and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure provides a process for filing, processing, and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board. (See JCSD School Board Policy JDB and JDC.)

## **Procedures for Processing a Complaint**

- Any student, school employee, or volunteer who feels he/she has been a victim of bullying or harassing behavior, or has witnessed or who has reliable information that a student, school employee, or volunteer has been subjected to bullying or harassing behavior shall immediately report such conduct to a teacher, principal, counselor, or other school or district official. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the alleged victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.
- If the alleged victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the appropriate assistant superintendent. Such appeal shall be filed within ten working days after receipt of the results of the initial decision. The appropriate assistant superintendent will arrange such meetings with the alleged victim and other affected parties as deemed necessary to discuss the appeal. The appropriate assistant superintendent shall provide a written decision to the alleged victim's appeal within ten (10) working days.
- If the alleged victim is not satisfied with the decision of the assistant superintendent, a written appeal may be filed with the superintendent. Such appeal shall be filed within ten working days after receipt of the decision of the assistant superintendent. The Superintendent shall, within twenty (20) working days, review all documentation and decisions of other actions and render a decision in writing to the alleged victim regarding the appeal.
- If the alleged victim is not satisfied with the decision of the superintendent, a written appeal may be filed with the Board. Such appeal shall be filed within ten (10) working days after receipt of the decision of the superintendent. The Board shall, within twenty (20) working days, allow the alleged victim and parents as appropriate to appear before the Board to present reasons for dissatisfaction with the decision of the superintendent. The Board shall provide a written decision within ten (10) working days following the alleged victim's appearance before the Board. (JCSO Policy JDC)

**Resolving Complaints**

If the investigating administrator determines that bullying has occurred and it is the first offense of bullying for the aggressor, the aggressor will be punished according to the handbook steps 2-5. If a student has a second offense for bullying, the student may be sent to the alternative school for up to 45 days. If the student has a third offense for bullying the student may be recommended to the school board for expulsion. See JCSD School Board Policies JD, JDC, and JDD.

# Transportation Services

## Transportation Services for Elementary (K-5) and Secondary (6-12)

The Jackson County School District operates transportation services required by state law, which directs that all school districts furnish transportation to pupils living one or more miles from their attendance center.

The district regards transportation as a vital service for students and maintains annual equipment maintenance and driving programs as to assure an efficient, safe operation. Drivers receive special certification and participate in safety and energy conservation programs.

Any questions regarding the overall operation of the particular attendance center's transportation program may be directed to the local transportation supervisor:

East Central Attendance Center	Michelle Southern	228-588-7032
St. Martin Attendance Center	Michael Hiese	228-875-2434
Vancleave Attendance Center	Michael Henry	228-826-3010

See JCSD School Board Policy EDD and EDC.

## School Bus/All District Vehicle Services for Elementary (K-5) and Secondary (6-12)

The district provides transportation for all students. In addition to riding the school bus students may walk, ride bicycles, drive other motor vehicles, or their parents may provide transportation to school. Students who drive motor vehicles to school are required to have a valid Mississippi driver's license and to abide by all regulations regarding driving, parking, and conduct in parking lots. School buses are school property.

## School Bus Discipline for Elementary (K-5) and Secondary (6-12)

- Student discipline is the shared responsibility of parents, students, and school personnel. Drivers are expected to keep order and discipline on the bus, but their major responsibility must be driving the bus. (JCSD Policy GAHD)
  - Riding the school bus is a privilege. This privilege carries with it some responsibilities on the part of the student. Behavior which prevents the driver and the student from having a safe trip to and from school will not be tolerated.
- Any violation of conduct by students, performed while on the school bus, waiting to board the school bus, or departing from the school bus, shall be addressed by utilizing the assertive discipline steps prescribed for elementary (K-5) or secondary (6-12) levels in the respective handbooks.
- Students may be denied the privilege of riding the school bus because of improper behavior, including the suspension of the privilege of riding the bus for the remainder of the school year, if the principal determines the action is necessary for the safety of the other students on the bus. (MS, State Code 37-7-301, e) Consequences for misconduct on the bus will be consistently applied. The transportation director, school administration, or other designee may handle minor offenses. Questions involving disciplinary actions should be directed to the school administration. Action requiring suspension shall be the responsibility of the school administration. The administration shall notify transportation director and the student's parents when a student's bus riding privileges are suspended. The transportation director will notify the appropriate bus driver. In addition to unacceptable behaviors listed in the assertive discipline section for elementary (K-5) and secondary (6-12) of this handbook, the following behaviors on the bus are unacceptable and will result in disciplinary action being taken against the student.

## **Established Rules of Behavior for Elementary (K-5) and Secondary (6-12)**

- At no time are students to put heads, arms, legs, bodies, or hands out of the windows of the bus.
- Immediately upon entering the bus, students are to be seated and are to remain seated until they arrive at their destination. The guidelines apply at any time a student is transported on a school bus.

- Students may not leave the bus on its way to or from the school except at their designated stop.
- Students are not to throw any objects on the bus or from the bus.
- Students must sit in the seat assigned by the driver. Drivers have the option of reassigning students to a different seat when necessary.
- The bus must come to a complete stop before students enter or exit the bus.

- No beverages or food may be consumed on the bus.
- Intentional littering of the bus is prohibited.
- Vulgar language is prohibited on the school bus.
- Balloons, vases of flower arrangements, or other objects, which hinder the view of a bus and/or create a dangerous situation are prohibited.
- Students will not be allowed to spray any perfume or other type of spray on the bus.
- All school rules, as approved through the Assertive Discipline Plan for elementary (K-5) and secondary (6-12), also apply to school bus conduct.

A student's failure to follow established rules of behavior will result in the following disciplinary action. (The severity of the student's misbehavior will determine the **level** step on which the student is placed.)

- **Step 1**  
Written Warning (Shall be signed and returned by parent.)
- **Step 2**  
One (1) to three (3) days off the bus, and parent conference or contact before riding privileges are reinstated.)

- **Step 4**  
Five (5) to ten days off the bus, and parent conference or contact before riding privileges are reinstated.)
- **Step 5**  
Shall result in loss of bus privileges for the remainder of the school term/year. If the student is removed from the school bus, a conference with the school administration must be held prior to the student being permitted to ride the bus. Continued or severe misbehavior may result in the student's removal from the bus for the remainder of the school year. If a student misbehaves during the final days of school, the punishment may continue into the next school year.
- **Step 6**  
Referral to the school board or superintendent for further action.  
See JCSD School Board Policies JD, EDD, GAHD, and JCDAD.

**Interference with School Buses for Elementary (K-5) and Secondary (6-12)**

It is unlawful for any individual to board a school bus, other than a student scheduled to, a member of the public school administration or faculty, or a law enforcement official. State law prohibits unauthorized boarding of school buses or interference with passenger boarding or leaving, under penalties of fines and/or imprisonment. See JCSD School Board Policy JAB.

**Parents Picking Up Students or Student Riding a Different Bus for Elementary (K-5) and Secondary (6-12)**

If it becomes necessary for a student not to ride his/her regular bus home, the parent should send a note to the school with the student that day. If an emergency arises during the school day, parents should notify the school before 1:30 p.m. to request a change in how the student will go home. Likewise, there may be a need for a parent to check out a student at the point of boarding a school bus. This will be permitted only with the clearance of an administrator or transportation director. See JCSD School Board Policy JAB and EDD.

**Changing Afternoon Transportation for Elementary (K-5) and Secondary (6-12)**

To ensure the safety of all students, changes to daily transportation should be minimal.

- The parent must send a note to the school if the student is going to ride a different bus or will be picked up instead of riding the bus.
- If a student misses the bus in the afternoon, he has to be signed out in the office by the individual picking up the student.
- Students will not be allowed to ride a bus, other than their own bus, without a note signed by a parent and/or principal/transportation supervisor.

For the safety of your child, phone calls are not accepted to change afternoon transportation arrangements. See JCSD School Board Policy EDD.

**Buses for Elementary (K-5) and Secondary (6-12)**

The Board of Education recognizes the district's continuing responsibility to maintain and improve discipline and to insure the health, welfare, and safety of its staff and students on school transportation vehicles.

Students found to be in violation of the district's bus conduct rules shall be subject to disciplinary action in accordance with district policy and regulations.

Bus transportation is a privilege extended only to students who display good conduct while preparing to ride, riding, or leaving the bus. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a student to be denied transportation. (MS Code 37-37-301 [e])

Riders who fail to comply with the above rules shall be reported to the school principal, who shall determine the severity of the misconduct and take appropriate action as described in the student handbook. In the case of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined by the principal, up to the remainder of the school year, and parents will be notified. See JCSD School Board Policy EDC and JCDAD.

**Safety Regulations for Elementary (K-5) and Secondary (6-12)**

See JCSD School Board Policy EDC, JCDAD, and EDD.

# School Dress Code

## **Dress/Grooming Policies**

Dress and grooming codes are based upon certain sound foundations; they are not just arbitrarily selected and dictatorially enforced for no cause. Laws surrounding indecent exposure, conditions necessitating safety and personal well-being, health and sanitation are some of the basic fundamentals. Conditions conducive to learning must not be impaired because of temporary and individualized fads. In order for students to be able to cope with even larger restrictions and responsibilities, they must learn while still in school to observe regulations set forth for the group as a whole. Keeping this total concept in mind and realizing a need to satisfy peer group desires for current fashions, the Board will make an effort periodically to restructure the dress and grooming code according to current conditions.

It shall be the responsibility of district and school support staff to communicate information to parents regarding the requirement of the mandatory school uniform dress code, including, but not necessarily limited to: a. types and colors of uniforms, b. optional articles of attire, and c. compliance measures to be employed.

All due process procedures provided in Section 37-7-335 of the Mississippi Code, will be followed in the administration of this policy. District Dress Code

The Jackson County School Board has defined the minimum standards of dress and grooming which will be acceptable for participants in the school system. The following is a description of the clothing that students shall wear while attending school in the Jackson County School District. An effort had been made to be as specific as possible about acceptable styles and colors. When purchasing your child's clothing for school you are encouraged to purchase within the guidelines listed below. Because a certain style, etc. is not listed does not mean that it is acceptable attire that can be worn to school. If you have questions about a certain style of clothing, you are encouraged to contact the administrator of your child's school for clarification prior to the purchase of the clothing.

Students are expected to obey the rules and directions of their teachers and principals in charge of their educational programs.

Parents are requested to encourage their students in participating in the spirit intended by the standards for personal appearance and the discipline program.

The personal appearance code will be positively enforced by teachers, principals and administrators.

The standards for dress, grooming and discipline with appropriate methods of enforcement and appeal have been established to provide an environment and conditions whereby the school district's educational program can be so planned, adapted, and conducted as to provide each child the training and opportunity to take his place in a democratic society. The personal appearance code has been developed to establish a standard of decency for covering the body, improving the educational environment of the school and enhancing school safety and should be interpreted in the spirit for which it is intended. See JCSD School Board Policy JAB.

## **Measures which will be Employed for Students Not In Compliance with the Dress Code**

## **Grievance Procedure**

- Any student/parent who may have a problem during the course of the school year should go first to the person with whom he/she disagrees. If the problem cannot be resolved at this level, he/she should go next to the building principal. If he/she is still not satisfied, he/she should continue to the Assistant Superintendent for the Attendance Center, Superintendent, and finally the School Board. To appear before the School Board, the grievant must submit the request to the Superintendent.
- This procedure should be followed if there is a problem with transportation, child nutrition, or any other division of the school system. For example, if there is a problem with transportation, the person would go first to the bus driver, transportation supervisor, principal, and then continue through the chain of command as listed above.
- Students/parents are encouraged to follow the chain of command in an effort to resolve any problems at the lowest possible level in the chain of command. See JCSD School Board Policies GAC, GAEB, GAEA, GAE.

## **Modifications for Exceptional Students Special Education Placement**

Educational programming and placement will be in accordance with the student's individualized education plan. Questions or concerns should be directed to the Director of Special Education. The address and phone number is listed in the front of this handbook. See JCSD School Board Policy IDDF and IHAB.

## **Homework**

The Jackson County School Board recognizes the value of purposeful, well-planned, and properly motivated home assignments that are (1) appropriate to the grade level, age, and abilities of the student; (2) designed to stimulate initiative and independence or to reinforce and enrich classroom instruction; (3) in complete accord with the goals established for the development of the school curriculum; (4) carefully planned so that home assignments are not so lengthy as to be self-defeating nor so complicated as to require assistance or resource materials not available to the student; and (5) an extension of class work that has already been introduced. As in the assignment of in-school work, homework assignments must be left to the sound professional judgment of the teacher, who will be expected to interpret the needs and assess the abilities and interests of each student. See JCSD School Board Policy IHA.

## **Parental Involvement Parent/Guardian Conferences**

Parent-teacher conferences should be arranged by appointment for the time set aside each day following the close of school or during the teacher's consultation period. Parents/Guardians should call the office of the school that their child attends to arrange a conference.

## **Parent/Teacher Organization**

The education of each child is a cooperative enterprise. Close cooperation and understanding between the home and school is most important. To help achieve this, there is an organization of parents and teachers on each of the school's campuses. All parents are encouraged to participate in the school's PTO.

## General Information

### Emergency Operations

- School staff members faced with an emergency affecting the health and welfare of a student will exercise their discretion and judgment as to procedures for handling the emergency, following established policy and procedural guidelines as far as possible. In the event that a student's parent or guardian cannot be reached, the school officials will act to safeguard the student in a reasonable way.
- Schools are sometimes faced with emergencies that require the total cooperation of staff members and students. The Jackson County schools have detailed plans for operating under such emergency conditions as fire, tornado, flood, severe weather, explosions, and other emergencies.
- Fire drills and other emergency preparedness measures are a regular part of each school's program. Detailed instructions for emergency operations will be outlined to all students at their respective schools. Students are expected to learn the procedures to be followed under emergency conditions and to cooperate fully with the supervising teacher, staff, and/or administrator during drills and/or the actual event of such an emergency.
- When a decision must be made to close or dismiss any school(s) within the Jackson County School District, the superintendent or his/her designee will notify local radio and television stations. Parents/ Guardians and students should listen for announcements from these media outlets and/or contact the school district's homepage on the Internet. Callouts via telephone or other appropriate technology will be attempted as necessary.
- Fire drills are of importance in training the students to conduct themselves in an emergency which might affect all students. The teacher will instruct all classes as to the procedure and exit to follow. Each room will use a certain exit, and it is necessary that each student follow the directions of the teacher in order that the building may be vacated in the shortest time possible. All students will leave the building as quickly as possible. (JCSD Policies EBBC and EBBC-R)

- Parents may be required to sign a statement assuming full responsibility for the books and technology and their proper care until all items have been returned to the school.
- Textbook and technology checks may be made at different times during the school year by a school official.
- In accordance with House Bill 1063, if a textbook or technology device is lost, damaged beyond use, or not returned by a student who drops out of the district, the parent or legal guardian will be required to compensate the district for the list value of the book(s) and device(s). Lost textbook(s) and device(s) must be paid for before another one is issued. Students who do not pay fines will not be issued books or devices for the following school year.

The school district will publish the name and/or picture of a student in school publications or school-related articles or include students in other school-related news media programs unless prior requests have been made by a student's parent/guardian for exclusion of his/her child's name or picture from such publications or news media programs. See JCSD School Board Policy JAB.

**Attendance at Prom (High School Only)**

Only those students who are classified as juniors or seniors at the beginning of the school year and are in good standing with their respective classes and school are eligible to receive an invitation to attend the prom.

All juniors will be required to contribute a minimum amount of money in order for the prom to be held. Juniors not meeting these requirements will not be given an invitation to prom, nor will they be allowed to attend prom with someone else who has received an invitation. In addition, any junior not paying dues as a junior must pay the dues as a senior before receiving an invitation to attend the prom. See JCSD School Board Policy JH.

Any student damaging or breaking any laboratory equipment intentionally or through neglect on his/her part will be required to pay for the damage. See JCSD School Board Policy JAB.

**Student Parking Lot (High School Only)**

The Jackson County School District is not responsible for damages to or property stolen from a student's vehicle while parked on the school campus. In order to purchase a parking pass, students must show a valid Mississippi Driver's License and proof of current insurance.

- After students arrive on campus, they are prohibited from remaining in cars in the parking lot or returning to their cars during the school day without administrative approval.

- Bringing a personal vehicle on campus is a privilege and may be restricted by the administration of the school. The school district provides free transportation to and from school and may require that a student not bring a personal vehicle on school property if said student violates rules governing personal vehicle use and parking lot decorum.
- Schools may assess a fee for a parking decal and require a student to place this decal in a particular area on each car he/she drives to school. This decal is for identification purposes only and does not represent any responsibility on the part of the school for any damages or loss to vehicle.
- School administrators have the right to insure a safe and orderly school environment. Section 97-37-17 of the Mississippi Code specifies that it is unlawful to be in possession of guns, knives, or other items that may be used as weapons on school grounds. If the administration determines that probable cause exists that any gun, other weapon, alcohol, illegal drugs, or other controlled substances or items are contained in a private vehicle on campus, they are authorized, under law and by the provisions of this policy, to provide for search of such private vehicles. See JCSD School Board Policy JAB and JDAB.

In addition, if a student demonstrates that they are unwilling to comply with school rules pertaining to student's bringing private vehicles on school campuses, the administration may, at their discretion, restrict such access and require that said student utilize the free transportation system provided by the school district for all students.

- Students are not permitted to use personal cell phones or other electronic devices during school hours on any school campus without permission from a teacher or administrator.

See JCSD School Board Policy JAB.

## **Cellular Phones and Electronic Devices**

To avoid interruptions to the instructional program, the Jackson County School District prohibits the use, display, or activation of cellular phones and possession of electronic devices by students during the instructional day on any school campus. Under this policy, the instructional day also includes, but is not limited to lunch breaks, class changes and any other structured or non-structured activity that occurs during the normal school day. The district also prohibits the activation or use of cellular or electronic devices on the school buses.

Nothing in this handbook shall preclude the campus administrator from establishing appropriate use policies regarding electronic devices at their school or on the school bus within the District's Appropriate Use Policy.

### **Cellular phone and electronic devices use will result in the following consequences:**

#### **First Offense:**

- If a student has a cell phone or electronic device and it is taken up during the instructional day as cited above it will be secured by the administration until released to the student's parent/guardian. Parents will be given a copy of this policy and asked to sign a form of acknowledgement.

#### **Additional offenses:**

- Further offenses will result in the student being disciplined according to the assertive discipline policy (beginning with one day of ISI). The cell phone or electronic devices will be returned after school on the last school day of the given semester.
- \*If a cell phone or electronic devices is taken up in ISI, the student will be given additional days of ISI and the phone will be returned after school on the last school day of the given school year.
- Note: If it is determined that a cell phone was used in a drug transaction, promoting a disturbance, texting answers, or any illegal or immoral activity, the student will be suspended and the phone will be returned on the last school day of the given school year.
- There is no probationary period for cell phone or electronic devices.

## **Electronic Cigarettes and/or any Smoking Devices such as vapes**

All use of electronic cigarettes and/or any smoking devices is prohibited on any school campus and at any school function or activity. Under this policy, the instructional day also includes, but is not limited to lunch breaks, class changes and any other structured or non-structured activity that occurs during the normal school day or at a school related event. If a student has an electronic cigarette and/or smoking device and it is taken up during the instructional day as cited above, it will be secured by the administration until released to the student's parent/guardian at the end of the school year. There is no probationary period for electronic cigarettes and/or smoking devices. See discipline ladder (elementary page 55) (secondary page 59) item number 7 for additional consequences.

**Electronic Devices and Testing**

The school prohibits the possession and/or use of any electronic communication device, including but not limited to Ipods, MP3 players, Bluetooth devices, cell phones, and/or other personal digital assistance devices during the administration of scheduled statewide tests. If an electronic device is in possession during a test, the test will be invalidated as mandated by the Mississippi Department of Education. This testing policy overrides any school policies regarding electronic devices. See JCSD School Board Policy JAB.

**Electronic possession or use in testing areas will result in the following consequences:**

- The electronic device taken up and secured by the administration
- Invalidation of test score(s).

Parent's will be given a copy of this policy and asked to sign a form of acknowledgement.

**Student Notification of Prohibition of Electronic Communication Devices during Statewide Testing**

- The Mississippi Public Schools Accountability Standards, 2010, Standard 22, prohibits the possession and/or Use of any electronic communication device, Including but not limited to IPods, MP3 players, Bluetooth devices, cell phones, and/or other personal digital assistance devices, by students during the administration of scheduled Statewide Tests.
- Possession of any such device, even if is not being used, is a violation of State Policy. Example: A student having a cell phone in his/her possession anywhere on his/her person during the test administration is a testing violation.
- The consequence of this testing violation is that the test results for the student will be invalid; therefore, the score of any student in possession of these prohibited devices during the test administration will be invalid. No score is reported for an invalid test, therefore, resulting in a non-passing score for a state test.

These shall be supervised at all grade levels by a staff member designated by the superintendent and shall include school psychological services, guidance services, testing services and in- service programs in guidance and psychological areas.

- Students and parents will be encouraged to avail themselves of the help of guidance personnel. See JCSD School Board Policy IFB.

## Child Nutrition

The school district has a Child Nutrition Program in order that students have the opportunity of receiving well-balanced, nutritious, lunch and breakfast meals at school. A computer system has been implemented in all cafeterias to help with accountability and to protect the identity of those students who receive free or reduced price meals. The system provides each student with an account to be used to pay in advance for meals. Every student is issued a number to activate his or her account when they are enrolled in school. This number will remain the same each year regardless of the school they attend. Advance payments can be received for any amount of time—weekly, monthly, for the semester, or for the entire school year. All meal purchases will be deducted from the balance until it is gone.

Money can be added to the account any day of the week through the breakfast or lunch lines. Extra sales items may be paid for in cash, or from the student's food service account.

### Meal Prices Elementary (K-5), Secondary (6-12), and Adults

<b>Breakfast</b>	Reduced Price	\$ 0.00
	Paid	\$ 1.50
<b>Lunch</b>	Reduced Price	\$ 0.00
	Paid	\$ 2.50
<b>Milk</b>		\$ 0.50
<b>Adult Breakfast</b>		\$ 2.00
<b>Adult Lunch</b>		\$ 3.25

- If a student wishes to purchase a second meal, the student must pay adult price (\$3.25). Only one meal per child can be claimed for reimbursement; therefore, the price of the second meal must cover total costs.
- Menus: Each school menu is linked to the school's website. Visit <https://jcsd.nutrislice.com/> for a complete listing of all menus. The Nutrislice mobile app is also available for smart phones.
- A free/reduced meal application will be provided to each student at the time of registration or during the year. Students may purchase extra sale items only after a complete meal has been purchased. Water and milk products (ice cream, yogurt, milk and smoothies) may be purchased by students without purchasing a complete meal.
- Online services: Online services are available. Parents may apply for Free and Reduced meals with faster, easier determination of benefits. My School Bucks is an online Meal prepayment service, which allows parents to prepay for students' meals with a credit or debit card. Funds are immediately available for use. Both services can be accessed through the district website [www.jcsd.k12.ms.us](http://www.jcsd.k12.ms.us). If you have any questions or concerns, please call the Free and Reduced Eligibility Clerk at 228-826-2133 extension 1204.
- Well-documented research indicates that nutrient consumption is higher among students who eat in the school cafeteria. The Jackson County School District operates via closed campus concept, which means that students may not leave the campus to purchase lunch without being checked out of school for the day.
- The State Competitive School Food Rules restrict sales of all food sold on campus beginning one hour before school lunch is served and until the last student is fed on campus.

- The Federal policy *Smart Snacks in Schools* restricts the nutrient content of the foods sold to students during school hours. All food sales must be in compliance with these guidelines. Food products must be keyed into the compliance calculator to prove their nutrients fall meet the criteria. The link for the compliance calculator can be found on the district webpage under food service department or by clicking <https://foodplanner.healthiergeneration.org/calculator/>.
- No food deliveries from commercial establishments will be received or consumed on school property during serving periods as defined above.

The Local School Wellness Policy (EECB) can be accessed through the Jackson County School District Website. See JCSD School Board Policy EECB.

### **Meal Charges**

The District has adopted the following Charge Policy (EEDA) which allows students to charge meals.

- Purpose: The purpose of this policy is to establish a consistent meal charge policy for Jackson County School District that allows children to receive the nutrition they need to stay focused during the school day, minimize identification of children with insufficient funds to pay for school meals, and maintain the financial integrity of the nonprofit Child Nutrition account.
- Scope of Responsibility:
  - The Child Nutrition Department is responsible for maintaining charge records and notifying students/parents/guardians of outstanding balances. Jackson County School District is responsible for notification of parent/guardian when charge limit is reached.
  - The Parent/Guardian is responsible for maintaining adequate funds in the food service account, including utilizing on-line account services.
- Administration:
  - Grades K-5 will be allowed to charge a maximum of five (5) meal charges at any given time.
  - Grades 6-12 will be allowed to charge a maximum of one (1) meal charge at any given time.
  - After the maximum charge is reached the student will be sent to the office to contact the parent/guardian.
  - Any student withdrawing from school will be required to pay any debt and refunds will be made for any money remaining in the Child Nutrition account.
  - In the middle of May all charging will be cut off:
    - Parents will be sent a request for "Payment in Full".
    - All charges not paid before the end of the school year will be carried forward into the next school year.
    - Seniors must pay all charges before graduation.
- Collection of Funds:
  - Delinquent meal charges will be collected by the Child Nutrition Department throughout the school year.
  - Delinquent meal charges will be collected by the school office during the summer months and then sent to the Food Service Department for deposit. Each school will be given an end of year debit list. If money is uncollected during the summer, the debit will be carried over into the next school year.
  - Returned checks will be handled by a debt collection agency. All fees will be paid for by the consumer.

- When local officials determine further collection efforts for delinquent debt are useless or too costly, the debt will be reclassified as "bad debt" and will be written off as an operating loss. Child Nutrition Funds cannot be used to cover such costs. See JCSD School Board Policy EEDA.

### **Nexcheck for School Meals**

- Your check is welcome at all schools in our District. We recognize that occasionally a parent may inadvertently have insufficient funds to cover a check written, which will cause a check to be returned by the bank. In order to recover these funds in a private and professional manner, the District has contracted with Nexcheck, LLC, for collection of returned checks.
- Each person writing a check to a school or the District should write the check on a commercially printed check with your name, address, and one phone number. Counter or starter checks will not be accepted. When a person writes a check to a school or the District, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law may be debited from the same account.
- If the check and fee are not collected electronically, then Nexcheck will contact you by mail and by telephone in order for you to make arrangements to pay. All payments need to be made directly through Nexcheck, P.O. Box 19688, Birmingham, AL 35219. For a convenience fee, payments of both check and fee may be made electronically at [www.nexcheck.com](http://www.nexcheck.com) or over the phone using a credit card, debit6 card, or electronic check. See JCSD School Board Policy EEDA.
