#### Reading

This week we will begin learning a new letter each day. We will be introducing letters Aa-Ee this week. We will also practice our ABC's, writing our name, and recognizing colors and color words. Please practice writing your child's name at home. We are practicing at school, but the extra practice would be very helpful!

#### Social Studies

This week we will be learning "All About Me". The students will be discussing things that make them an individual and the things that are important to them. Please help your child decorate the outside of a "Me" bag in a way that represents his/her hobbies or interest. Inside the bag, place three small items that will help other students get to know your child. They will need to tell the other students why the items are important to them. We will share our "Me" bags this week.

#### Math

We will be sorting by size, shape and color. We will also be classifying this week. Please review numbers 0-10 daily with your child.

#### Teachers Notes
